

Milwaukee Better Buildings Challenge Participant Pledge Form

The Milwaukee Better Buildings Challenge (MBBC) is a public/ private initiative that seeks to increase energy efficiency in the City of Milwaukee, and reduce energy usage by 20% in participating Milwaukee buildings by 2020. MBBC will utilize City of Milwaukee resources such as the Milwaukee Energy Efficiency program (Me²) to provide commercial buildings the support necessary to increase energy efficiency. MBBC participating organizations are asked to support this initiative by upgrading their buildings to be more energy efficient, and publically advocating for city-wide energy efficiency awareness.

As a Building participant your organization pledges the following (Please check to pledge):

- Select one or more properties to participate in MBBC
- Identify an energy reduction goal, as well as a building energy saving project (current or planned)
- Track energy consumption on the FREE online energy management platform, Portfolio Manager
- Develop a plan and schedule for building energy efficiency based upgrades
- Explore Me² to receive rebates for energy efficiency projects completed by May 2013

The Milwaukee Better Buildings Challenge agrees to provide the following:

- ✓ Guidance and support throughout the challenge from City of Milwaukee Office of Environmental Sustainability and Me² program staff
- ✓ Financing and rebates for building energy efficiency upgrades
- ✓ National and Local recognition of your organizations energy efficiency related efforts
