

Milwaukee Shines Solar Financing Community Kick-Off

Celebrate the Launch of Milwaukee Shines Solar Financing

You are invited to a special Community Kick-Off to mark the launch of Milwaukee Shines Solar Financing program. The City of Milwaukee's solar program is hoping you'll join us to learn more about this program that can help add solar to your home.

Join Mayor Tom Barrett and Alderman Tony Zielinski as we announce this one-of-a-kind financing program.

The Milwaukee Shines Solar Financing program is a partnership between the City and Summit Credit Union to offer low-interest solar loans for City homeowners. There is also a \$1,000 incentive for the first twenty participants in the loan program

Connect with Solar and Energy Experts

- Learn how you can add solar to your home with new solar loan program through Milwaukee Shines.
 - Meet with solar installers to see if solar might be right for your home.
- Connect with Me2, Milwaukee's energy efficiency program, to see how to reduce your energy bills today.
