REGISTER BY OCTOBER 19

8 - 9 a.m. REGISTRATION

9 a.m. MORNING SESSION

The State of Solar Standards in Wisconsin

Analysis of Net Metering & Interconnection Standards, and Creating a Road Map for the Future

The City of Milwaukee's solar program, Milwaukee Shines, invites solar industry representatives, policy makers, and business stakeholders to learn more about Wisconsin's solar standards and how they shape the industry's future.

Milwaukee Shines will release the results of a study that analyzed the state's net metering and interconnection score in the annual Freeing the Grid report, and provided suggestions for improving our standards in the future

12 p.m. LUNCH: Wisconsin Solar Working Group Meeting

Lunch sponsored by Caleffi Solar

Updates from: Focus on Energy (invited), MadiSUN, Midwest Renewable Energy Association, Milwaukee Shines, RENEW Wisconsin, and WiSEIA

1:30 p.m. AFTERNOON SESSION

Strategies for Making Solar Energy Affordable for Your Business

Treasury Grants, Commercial Group Buying & Third-Party Financing

The City of Madison's solar program, MadiSUN, invites solar professionals, financial institutions, and businesses interested in a solar install to learn about financial tools that can help make solar a reality. Get details on solar PPAs, group buys and other financing options.

4 p.m. RECEPTION

Sponsored by Helios Solar Works
