Questions? Call Denise at 414-286-8478 or 414-708-4537

The Cardinal Capital Mgmt. Inc. / McKinley Gardens makes this program possible through their generous donation of office and classroom space. The Plain Talk Milwaukee initiative is a collaboration of the City of Milwaukee Health Department, New Concept Self Development Center, Inc., and Running Rebels Organization. The program received in-kind from the State of Wisconsin's DHFS, Milwaukee Public Schools, United Way of Greater Milwaukee Healthy Girls Initiative and other community partners.
