- WHEN:** Thursday October 10, 2013

- DETAILS:** Thursday October 10, 2013 at 7:00 pm Mayor Tom Barrett, along with the Milwaukee Fire Department, will honor firefighters as well as citizens in the community for the many selfless, extraordinary, and heroic acts they have committed over the past three years.

Firefighters are expected to place their lives on the line for the protection of others on a daily basis. The Meritorious Service Awards highlight the actions of a select few that have performed at the highest level. This year we also have included civilian heroes, some of whom placed themselves directly in very hazardous situations and others who simply had the courage to stop and help another in need, within the community that will be recognized.

The individuals being honored exemplify the service we expect from our firefighters, as well as extraordinary efforts by citizens within the community.
