

BE A
SUPER READER

MILWAUKEE PUBLIC LIBRARY

May 13 - August 29, 2013

SUPER PARENTS!

The library is your child's summer learning spot!

Sign up your child to be a Super Reader at any Milwaukee Public Library! It's easy, fun and free – and will help your child do better in school!

- Reading gets better with practice. Just 10 – 20 minutes a day can make a big difference in a child's reading ability.
- No library card is needed to participate, but we'll be happy to get you and your children a free library card.
- We've got reading programs for all ages, from babies to teens.
- As children read, or are read to, they complete levels and earn coupons for Cousins Subs or Pizza Hut and admission to family friendly places in town and a free book to keep!
- The library also has free events all summer long!

Pick up a calendar at any Milwaukee Public Library or go online to www.mpl.org/SummerReading for more details.

Call ahead for library hours, **286-3000**, or check the library's website at www.mpl.org
