Re: PUBLIC RECORDS REQUEST FOR "OPEN SKY" RECORDS (reference Z18515)

Dear Alderman Donovan:

This letter responds to your October 11TH correspondence, requesting records pursuant to the provisions of the Wisconsin Public Records Law. Wis. Stat. §§ 19.31-39. You have requested:

...a copy of all records either currently or formerly in the custody of the individuals listed on the attached sheet pertaining to the Milwaukee Police Department's digital radio system commonly referred to as "Open Sky". For the purpose of this request, records should be taken to include both those in electronic and non-electronic formats and include, but not be limited to, e-mails, letters, phone records, faxes, memoranda, reports, etc.

The time period for this request is January 1, 2003, up to the date of the letter [October 11, 2010].

You have requested records in the custody of (or formerly in the custody of) the following individuals: Edward A. Flynn, Vince Flores, David Go, Nannette Hegerty, Arthur Jones, Mark Meyer, Greg Moore, Judy Pal, Joel Plant, Monica Ray, Sam Steffan, Debra Walwikowski, Andra Williams, and all supervisors of the Milwaukee Police Department's (MPD) Communication Division during the time period of this request.

We will comply with our statutory obligations under the law as soon as practicable. Due to the breadth of your request, the number of MPD personnel whose records you have asked us to locate, and the number of years covered by your request, we anticipate that it will take more time than usual to respond to your request. We will contact you when we have a better estimate of the amount of time it will take to respond to your request.

EDWARD A. FLYNN
