

Statement of Ald. Joe Davis, Sr.
March 27, 2006

It has been a little more than a week since Purvis Virginia Parker and Quadrevion Henning left to play basketball near their homes and went missing without a trace. I want to publicly recognize and thank the Milwaukee Police Department and the FBI for the hard work, focus and dedication they've given to this investigation, and I also want to thank the many volunteers who have graciously offered their services in the search for the two boys.

My prayers and thoughts have been and will continue to be with the families of these precious boys.
