## MEDIA ADVISORY

### City Hall News Conference Today At Noon

Milwaukee Ald. Tony Zielinski will hold a **news conference today at 12 noon** in front of the Mayor's Office to discuss the reintroduction of his anti-gang loitering ordinance and his efforts to get Mayor Tom Barrett to offer support for the measure.

**The news conference will be held on the second floor at City Hall, 200 E. Wells St.**

The anti-gang loitering ordinance would provide law enforcement with a tool to deal with gangs that are controlling neighborhoods and intimidating law-abiding citizens, Ald. Zielinski said.
