Reviews of 6th District MHD Applications, Development Plans and Financing Proposals Raise No Concerns

Today, Common Council President Willie L. Hines, Jr. announced that the internal investigation into all pending 6th Aldermanic District license applications for the City of Milwaukee Health Department (MHD) “yielded no irregularities,” according to Bevan K. Baker, Commissioner of Health.

In addition, development plans and financing proposals for the 6th District “found nothing out of the ordinary,” according to Martha L. Brown, deputy commissioner for the City of Milwaukee Department of City Development (DCD).

Common Council President Hines thanks Baker and Brown, as well as DCD Commissioner Rocky Marcoux, for their assistance in the ongoing internal probe.
