TO: Residents of the City of Milwaukee

SUBJECT: Public Information Meeting  
Project I.D. 2060-10-00  
South Howell Avenue (STH 38)  
East Grange Avenue to East Layton Avenue  
Milwaukee, WI

Dear Property Owner:

The City of Milwaukee Department of Public Works (DPW) is inviting you to attend a Public Involvement Meeting where information will be provided regarding the proposed paving improvements along South Howell Avenue (STH 38) from East Grange Avenue to East Layton Avenue. The project is tentatively scheduled for reconstruction in 2018.

**The meeting will be held on Tuesday, October 14, 2014 at the Tippecanoe Library, which is located at 3912 South Howell Avenue between 6:00 PM and 8:00 PM. The meeting will be in an "Open House" format and no formal presentation will be made. Representatives from the City of Milwaukee Department of Public Works will be available to answer questions.**

The proposed improvement consists of removing the existing roadway and replacing it with concrete pavement. All curb and gutter and driveway will be replaced. The existing sidewalk on the west side of the street will be replaced. A new 5-foot sidewalk will be constructed on the east side of the street. The roadway width will be widened from two 34-foot roadways separated by a 26-foot median, to two 39-foot roadways separated by a 22-foot median. This widening will accommodate a 5-foot striped bicycle lane in each direction.

If you would like additional information regarding the project, please contact Mr. Samuel Medhin of the City of Milwaukee Department of Public Works at (414) 286-0474 (office); (414) 286-3693 (fax); email: samuel.medhin@milwaukee.gov. Mr. Medhin can also be contacted at (414) 708-3419 (cell) on the meeting day, October 14, 2014, after 4:00 PM.

Very truly yours,

  
Jeffrey S. Polenske, P.E.  
City Engineer
