

# Hazardous Chemicals in the Workplace?

---

You as a public employee have the right, under the Wisconsin public employees' right-to-know law, to be informed about hazardous chemicals and substances in the workplace. \*

## EMPLOYEES MUST BE PROVIDED WITH:

- ◆ A list of all hazardous chemicals and information on toxic substances, pesticides, and infectious agents in the workplace.
- ◆ Access to Material Safety Data Sheets and container labels.
- ◆ Formal training in proper procedures for managing hazardous chemicals.
- ◆ A written chemical hazard communication program.
