Obligations of the City under CHAPTER 65, Wisconsin Statutes, and any pension matter under the exclusive jurisdiction or control of any duly constituted pension board shall not constitute a grievance under the provisions aforementioned.

- 2) Grievances over discipline shall be initiated at step 1 of the Grievance Procedure except that in cases of discipline administered by the Fire Chief the grievance shall be initiated at step 2 of the Grievance Procedure and be reviewed by the Fire Chief.
- 3) Grievances concerning life insurance or health insurance benefits, other than claims, shall be initiated at Step 3 of the Grievance Procedure and be reviewed by the City Labor Negotiator.
- 4) All grievances and grievance appeals shall set forth the provision of the Agreement and/or the rule or regulation of the Fire Chief under which the grievance was filed. All appeals of duly filed grievances not submitted by the Association or employee (hereinafter referred to as "member") within the time limit specified shall be termed abandoned grievances and as such shall be considered as being resolved in favor of the City and not subject to further consideration under the provisions of the GRIEVANCE AND ARBITRATION PROCEDURE. Abandoned grievances shall not be considered precedent for future cases. Properly prepared and filed grievances shall be answered on behalf of the City within the time limits specified. In the event the City does not answer a properly filed grievance within the time limits, the grievance will move to the next step specified in the GRIEVANCE AND ARBITRATION PROCEDURE. By mutual agreement, the parties may waive any of the steps contained in this GRIEVANCE AND ARBITRATION PROCEDURE.

B. STEPS IN THE GRIEVANCE PROCEDURE

STEP 1:

The aggrieved member shall reduce his/her grievance to writing on a provided numbered form and shall present such written grievance to his/her Association designated representative. The Association designated representative shall meet with the grievant and if the grievant so desires and the Association designated representative determines, the Association designated representative shall present the written grievance within ten (10) calendar days of the occurrence of the incident leading to the grievance to a Board of Investigation of not more than three designated by the Fire Chief. Said grievance shall be in writing and shall be submitted to the individual in the Fire Department Administration designated by the Fire Chief, and therein a request shall be made for a meeting with said Board of Investigation to consider the grievance. The Board of Investigation and the Association Grievance Committee Chairman shall meet at a mutually agreeable time within ten (10) calendar days of receipt of the written grievance to the Board of Investigation. The grievant shall be entitled to be present at such grievance meeting and shall have the right to be represented by the Association Grievance Committee Chairman and the parties shall discuss the grievance in good faith and attempt to resolve the matter. Within ten (10) calendar days of said meeting, said Board of Investigation shall, in writing, advise the Association Grievance Committee Chairman and the grievant of its determination with respect to the grievance setting forth the reasons for its decision.

STEP 2:

If the grievance is not resolved in Step 1 above, the Chairman of the Association Grievance Committee may, within ten (10) calendar days of receipt of the answer from the Board of Investigation, appeal the grievance to the Fire Chief. Such appeal shall be in writing and therein a request shall be made for a meeting between the Fire Chief, the grievant and the Chairman of the Association

Grievance Committee. At the meeting, to be held at mutually agreeable time within ten (10) calendar days of receipt of said written appeal to the Fire Chief, the parties shall discuss the grievance and the various answers and decisions in good faith in an attempt to resolve the grievance. Within ten (10) calendar days of such meeting, unless the time period is mutually extended by the parties, the Fire Chief shall in writing advise the Chairman of the Association Grievance Committee and the grievant as to the Chief's decision with respect to the grievance. If an Association grievance involving a matter of Departmental discipline is not settled at the third step, the Association may proceed to final and binding arbitration as hereinafter provided.

STEP 3:

If the grievance does not involve a matter of Departmental discipline and is not resolved in Step 2 above, the Chairman of the Association Grievance Committee may, within ten (10) calendar days of receipt of the answer from the Chief Engineer, appeal the grievance to the City Labor Negotiator. Failure to appeal said answer within this prescribed period of time shall constitute settlement of the grievance. Such appeal shall be in writing and therein a request shall be made for a meeting between the City Labor Negotiator (or his/her designee), the grievant and the Chairman of the Association Grievance Committee. At the meeting, to be held at a mutually agreeable time, the parties shall discuss the grievance and the various answers and decisions in regard thereto in good faith in an attempt to resolve the grievance. Within twenty-five (25) calendar days of receipt of the written appeal to the grievance, unless the time period is mutually extended by the parties, the City Labor Negotiator, shall, in writing, advise the Chairman of the Association Grievance Committee and the grievant as to the City Labor Negotiator's decision with respect to the grievance. If an Association grievance is not settled at the third step, the Association may proceed to final and binding arbitration as hereinafter provided.

2. GRIEVANCE ARBITRATION

- A. Final and binding arbitration may be initiated by serving upon the employer a notice in writing of an intent to proceed to final and binding arbitration within thirty (30) calendar days of receipt of the third step answer. Said notice shall identify the grievance and the employees involved.
- B. Unless the parties can, within seven (7) calendar days following the receipt of such written notice, agree upon the selection of an arbitrator, either party may in writing request the Wisconsin Employment Relations Commission to submit a list of five (5) arbitrators to both parties. The parties, shall, within seven (7) calendar days of the receipt of said list, select the arbitrator by alternately striking names from said list until one name remains. Such person shall then become the arbitrator.
- C. The arbitrator so selected shall hold a hearing at a time and place convenient to the parties within fifteen (15) calendar days of notification of his/her selection, unless otherwise mutually agreed upon by the parties. The arbitrator shall take such evidence as in his/her judgment is appropriate to the dispute. Statements of positions may be made by the parties and witnesses may be called. In disputes involving application of rules or regulations of the Fire Chief, the Chief or his/her designated representative shall be permitted to participate in the proceeding and to state the Chief's position on the dispute.
- D. The arbitrator shall neither add to, detract from, nor modify the language of the Agreement or of the rules and regulations in arriving at a determination of any issue presented that is proper for final and binding arbitration within the limitations expressed herein. The arbitrator shall have no authority to grant wage increases or wage decreases.
- E. The arbitrator shall expressly confine himself/herself to the precise issues submitted for arbitration and shall have no authority to determine any other issue not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination.

- F. In reviewing any difference over application of a departmental rule or regulation under this grievance and arbitration procedure the arbitrator shall take into account the special statutory responsibilities granted to the Fire Chief under Chapter 586, Special Laws of 1911 of the State of Wisconsin, and amendments thereto. The arbitrator, shall not impair the ability of the Fire Chief to operate the department in accordance with the statutory responsibilities under Section 62.50, Wisconsin Statutes, 1977, and amendments thereto, nor shall he/she impair the authority of the Fire Chief to maintain, establish and modify rules and regulations for the operation of the Fire Department, provided such rules and regulations are not in violation of the specific provisions of this Agreement. In addition, the arbitrator shall not prohibit the Fire Chief from executing departmental rules and regulations in a fair and equitable manner.
- G. All expenses which may be involved in the arbitration proceedings shall be borne by the parties equally. However, the expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with such proceedings shall be borne by the party at whose request such witnesses or depositions are required.
- H. For the purpose of receiving testimony and evidence, the provisions of Section 788.06 and 788.07 of the Wisconsin Statutes shall apply. The arbitration award shall be reduced to writing and shall be subject to Sections 788.08 through and including 788.15 of the Wisconsin Statutes. All other sections and provisions of Chapter 788 are hereby expressly negated and of no force and effect in any arbitration under this Agreement.
- I. It is contemplated by the provisions of this Agreement that any arbitration award shall be issued by the arbitrator within sixty (60) calendar days after the notice of appointment unless the parties to this Agreement shall extend the period in writing by mutual consent.
- J. The arbitrator shall submit in writing his/her award to the parties.

- K. During the term of the 2007-2009 Agreement, if any change to Wis. Stat. § 62.50 is enacted that affects the Association's ability to arbitrate discipline, the parties will immediately enter into negotiations for the purpose of arriving at mutually satisfactory modifications to this article.

Pension benefits for an employee covered by this Agreement who is a member of the Employees' Retirement System of Milwaukee (ERS) shall be those benefits defined in Chapter 36 of the City Charter (ERS Act) that are applicable to a "fireman". These pension benefits shall continue unchanged during the term of this Agreement. Solely for purposes of the global pension settlement, employees who are on a medical leave of absence on January 1, 2000, and other like situations as mutually agreed to by the City and the Union, shall be considered to be in active service on January 1, 2000. Creditable service for active military service, as provided in 36-04-c, shall be extended to employees represented by the Association who participate in the combined fund and who retire on a service retirement on and after January 1, 2003. Effective for employees hired after the execution date of the 2004-2006 City-Association Agreement, when a retirement application is filed by an employee covered by this Agreement who seeks a Duty Disability Retirement Allowance based upon a mental injury, the application shall be referred to the Medical Council established under 36-15-12 of the Milwaukee City Charter, in lieu of the Medical Panel, which Medical Council shall determine and certify whether the applicant is permanently and totally incapacitated for duty as a result of such mental injury in accordance with the requirements of Chapter 36 of the Milwaukee City Charter. In any reexamination authorized by Chapter 36 of the Milwaukee City Charter of such retired beneficiary, the beneficiary shall be referred to the Medical Council, in lieu of the Medical Panel, for

reexamination and such Medical Council shall make the determination and certification required under the provisions of Chapter 36 of the Milwaukee City Charter for reexaminations.

LIFE INSURANCE

1. Amount of Life Insurance Coverage

a. Employees under age 65 shall be eligible to elect and maintain life insurance coverage in an amount equivalent to one and one-half times their annual base salary rate, rounded to the next higher thousand dollars, so long as they remain in active service and are under age 65. Upon attaining age 65, the amount of life insurance coverage to which an employee is entitled shall be reduced to an amount equal to 100% of the employee's annual base salary rate, rounded to the next higher thousand dollars; this reduction shall become effective on the first of the month next following the month in which the employee attains age 65 and shall remain in effect so long as the employee remains in active service.

b. Adjustment of Coverage

The amount of life insurance coverage to which an employee is entitled shall be adjusted semi-annually on January 1 and July 1 of the calendar year to reflect changes in the employee's annual base salary rate. The term, "Annual Base Salary Rate," as used herein, shall be defined as an amount equivalent to the employee's biweekly base salary, as his/her biweekly base salary is defined and determined under the BASE SALARY Article of this Agreement, divided by fourteen (14) and then multiplied by three hundred and sixty-five (365).

c. Conditions and Eligibility for Election of Coverage

(1) Subject to the terms and conditions provided in subsections 1.c.(2) through 1.c.(6) of this Article, below, an employee shall be entitled to elect the amount of life insurance coverage provided in subsection 1.a., above, upon completion of 180 consecutive calendar days of active service as a full-time

(at least 40 hours per week) employee following his/her initial date of employment with the City.

- (2) The election of life insurance coverage shall be in a manner prescribed by the City.
- (3) An employee meeting the eligibility requirements for election of life insurance coverage must make such election within 30 consecutive calendar days after the date his/her eligibility is first established. If the employee fails to make such election within this time limit, the election shall be made only on such terms and conditions as are established and maintained from time to time by the City and/or its life insurance carrier.
- (4) An employee shall become entitled to the life insurance coverage provided in subsection 1., above, 30 consecutive calendar days following the date he/she elects such coverage.
- (5) An employee re-employed subsequent to a separation from active service, for whatever reason, must re-establish his/her eligibility for life insurance coverage on the same basis that would be applicable to a new employee having the same starting date that the re-employed employee had following re-employment.
- (6) An employee who has previously waived life insurance coverage provided by the City, either hereunder or otherwise, while employed with the City or a City Agency (the term, "City Agency" being as defined in subsection 36.02(8) of the Milwaukee City Charter, 1971 compilation, as amended) shall be permitted to elect life insurance coverage only on such terms and conditions as are established and maintained from time to time by the City and/or its life insurance carrier.

d. Cost of Life Insurance Coverage

Employees eligible for the life insurance coverage described under Subsection 1.a. of this Article, above, who elect such coverage, shall pay to the City an amount

equal to \$.21 per month for each \$1,000 of coverage in excess of \$45,000. These payments shall be accomplished by periodic deductions from employees' biweekly paychecks. The City shall make all other necessary payments for the life insurance coverage described in Section 1. of this Article, above.

2. Conditions and Limitations on Benefits

- a. An employee eligible to elect life insurance coverage must elect the maximum amount to which he/she is entitled to under subsection 1.a., above.
- b. The life insurance benefits provided hereunder shall only cover employees while they are in active service.
- c. The terms and conditions for receipt of the life insurance benefits provided hereunder shall be as provided for either in the contract between the City and the carrier providing the benefits or, if the City elects to provide these benefits on a self-insured basis, by the City.

3. Right of City to Change Carrier

It shall be the right of the City to select and, from time to time, to change the carrier(s) that provide the benefits set forth above. The City shall, at its sole option, have the right to provide these life insurance benefits on a self-insured basis.

ARTICLE 26

HEALTH INSURANCE

1. Benefits

a. Basic Plan

Basic Plan health insurance benefits shall be the same as the Basic Plan benefits that were provided in the 2004-2006 City/Association Agreement, except for the following changes in these benefits:

- (1) Every medical procedure that can be performed on an outpatient basis shall not be covered by these benefits when the procedure is performed on a hospital inpatient basis. Procedures that can be performed on an outpatient

basis that are done on an inpatient basis in conjunction with other procedures requiring inpatient status, or any procedures performed on an inpatient basis that constitute a medically verifiable exception (as determined by the Utilization Review Contractor providing Basic Plan health insurance benefits) to the requirement that it be performed on an outpatient basis, shall be covered.

- (2) A Utilization Review Case Management Program shall be established by the City for all elective procedures. Elective procedures subject to the UR/CM program shall include all treatments for mental health disorders and substance abuse and home health care services. The program would be an independent review that assures each patient that the proposed hospitalization is necessary, based upon the medical condition of the patient, delivered in the most appropriate medical setting (inpatient or outpatient) and fair and equitably priced. Whenever an elective procedure is recommended for an employee, or his/her dependents, by a physician, the employee shall be required to notify the designated UR/CM program representative of this fact by telephone at the time such procedure is recommended, in accordance with procedures established by the Employee Benefits Manager for that purpose. Any elective procedure not submitted to the designated UR/CM program representative shall not be covered by these benefits. UR/CM shall determine whether or not a procedure is elective. Within 48 hours of the hospital admission time for any urgent or emergency procedure performed on an employee, or his/her dependents, the employee or adult responsible for him/her, shall be required to notify the designated UR/CM program representative of this fact by telephone in accordance with procedures established by the Employee Benefits Manager for that purpose; provided however, that if bona fide medical circumstances applicable to the employee preclude compliance with the 48-hour

notification requirement, UR/CM shall authorize reasonable extension of this time limit consistent with such medical circumstances or the availability of an adult responsible for the employee. Following its review of an elective procedure contemplated for an employee, or his/her dependents, UR/CM will inform the employee of its determination in respect to approval or denial of the procedure.

- (3) The major medical deductible shall be \$100 per person, \$300 per family maximum on the Basic Plan.
- (4) Transplant Benefit
 - (a) Medically necessary human to human heart transplants shall be added as a covered benefit under the Basic Plan. The participant must obtain prior authorization from the Utilization Review contractor and is subject to the terms and conditions of the Utilization Review program set forth in subsection 1.a.(2) of this Article, above.
 - (b) The aggregate lifetime maximum benefit limit per participant for all organ or tissue transplant services for all covered transplant procedures is \$250,000. This aggregate lifetime maximum benefit limit applies to all benefits arising out of an organ or tissue transplant.
- (5) The maximum annual benefit per participant for outpatient services for alcoholism, drug abuse and nervous and mental disorders provided in the outpatient department of a hospital, an Outpatient Treatment Facility or a physician's office, that is provided under the "Hospital Surgical-Medical Group Master Plan Document for City of Milwaukee" shall be two thousand dollars (\$2,000). All other provisions of such benefit shall remain unchanged. The maximum benefits provided under the "Major Medical Coverage" section of the Basic Plan for benefits for professional services

for psychiatric care, including any type of nervous or mental care provided to a participant without confinement, shall be 80% of two thousand dollars (\$2,000) of charges.

- (6) The Major Medical lifetime maximum shall be \$500,000.
- (7) Data obtained through the Health Risk Assessment (HRA) shall not be shared with the City of Milwaukee Worker's Compensation Section.

b. Health Maintenance Organization (HMO) Plans

- (1) Except as provided in 1.b.(2), hereunder, employees shall have the right to select coverage under an HMO Plan approved by the City in lieu of coverage provided by the Basic Plan. The benefits for employees enrolled in an HMO plan offered by the City shall be the uniform benefits specified in the 1999-2000 City of Milwaukee's Request for Proposals from Health Maintenance Organizations.
- (2) Effective upon execution of the 2007-2009 Agreement, the City may offer to employees an Exclusive Provider Organization (EPO) Plan instead of or in addition to a Health Maintenance Organization (HMO) Plan. An EPO Plan offered by the City shall use a Southeastern Wisconsin network and shall only include in-network benefits. There shall be no coverage for services obtained outside of the EPO Plan network. The benefits for employees enrolled in an EPO Plan offered by the City shall be the uniform benefits specified in the 1999-2000 City of Milwaukee's Request for Proposals from Health Maintenance Organizations. In the event that the City offers an EPO Plan instead of or in addition to an HMO Plan, any references to "Health Maintenance Organization" or "HMO" in this Agreement shall be understood to also refer to an "Exclusive Provider Organization", "EPO", or to a combination of Health Maintenance Organizations and Exclusive Provider Organizations.
- (3) Effective at the beginning of the first full calendar month following

execution of the 2007-2009 Agreement, the following co-payments shall be implemented:

- (a) An employee shall pay a \$10.00 office visit co-payment (OVCP) for all office or urgent care visits due to illness or injury, except as noted in 1.b.(3)(b) and (c), hereunder.
- (b) The OVCP shall be waived for preventive exams, tests, and other age-appropriate procedures as determined by the plan for screening, pre-natal and baby wellness.
- (c) The OVCP shall be waived for on-going disease management office visits as determined by the plan.
- (d) An employee shall pay a \$50.00 emergency room co-payment for each emergency room visit.
- (e) The prescription drug card plan under the uniform benefits shall be replaced with a three-tier drug card plan. The designation of legend drugs and the assignment of drugs to the following tiers shall be determined by the plan:
 - i. Tier 1 co-payment equal to \$5.00;
 - ii. Tier 2 co-payment equal to \$17.00;
 - iii. Tier 3 co-payment equal to \$25.00;
 - iv. Legend Drugs co-payment equal to \$5.00;
 - v. Mail Order Drug co-payment amount for a three-month or 90-day supply shall be equal to the co-payment amount for a two-month or 60-day supply.

- (4) Data obtained through the Health Risk Assessment (HRA) shall not be shared with the City of Milwaukee Worker's Compensation Section.

c. Basic Dental Plan

Basic Dental Plan insurance benefits shall be the same as the benefits provided for in the DENTAL SERVICES GROUP CONTRACT FOR THE CITY OF

MILWAUKEE, effective March 1, 1984 (such contract approved by Common Council resolution file #82-2109-n, adopted March 2, 1984). The dental insurance coverage for an eligible employee electing coverage under the Basic Dental Plan shall be in lieu of the coverage provided by Prepaid Dental Plans (PDP).

d. Prepaid Dental Plans (PDP)

Employees shall have the right to select coverage under a Prepaid Dental Plan (PDP) approved by the City in lieu of the coverage provided by the Basic Dental Plan.

e. Provisions Applicable to All Plans:

- (1) The City will not pay for any services or supplies that are unnecessary according to acceptable medical procedures.
- (2) The City shall have the right to require employees to execute a medical authorization to the applicable Group to examine employee medical and/or dental records for auditing purposes.
- (3) The City shall have the right to establish methods, measures and procedures it deems necessary to restrict abuses and/or excessive costs in application of the benefits provided under subsections 1.a. through 1.d., inclusive, of this Article, above.
- (4) The City, in conjunction with its insurance carrier, shall have the right to develop and implement any other cost containment measures it deems necessary.
- (5) An employee's health/dental insurance benefits provided by this Article shall terminate on the last day of the calendar month in which the employee is removed from the Fire Department payroll; provided however, that when an employee is suspended from duty without pay, such benefits shall not terminate on the last day of the calendar month in which the suspension begins if the suspension ends prior to the last day of the next following calendar month. The Fire Department Administration will provide written

advance notice to an employee indicating the date on which his/her health/dental insurance coverage will be terminated. Notwithstanding the foregoing, an employee's health insurance coverage shall not terminate so long as he/she and/or his/her dependent(s) are eligible for and receiving health insurance coverage under the specific provisions of this Agreement that are applicable to individuals not on the Department payroll. This exception does not extend the termination date of an employee's dental insurance coverage beyond the last day of the calendar month in which the employee is removed from the Department payroll.

- (6) An annual Health Risk Assessment (HRA), which shall include basic biometrics, a written health risk assessment questionnaire and a blood draw, shall be implemented as soon as practicable following execution of the Agreement.
- (7) Both a Wellness and Prevention Program and Committee shall be implemented. A description of both the program and the committee is appended hereto as Appendix A.

2. Eligibility for Benefits

a. Employees in Active Service

- (1) Basic Plan and Health Maintenance Organization (HMO) Plans.
Employees in active service shall be entitled to health insurance benefits under either the Basic Plan or an HMO Plan at their option so long as they remain in active service.
- (2) Dental Benefits
Employees in active service shall be entitled to the Dental Plan benefits provided in subsections 1.c. or 1.d. of this Article so long as they remain in active service. Employees in active service who elect to participate in either the Dental Plan or a Prepaid Dental Plan (PDP) shall be required to maintain the same enrollment status that they maintain for their health

insurance benefits. Individuals not in active service shall not be eligible for dental benefits.

b. Duty Disability

(1) Except as provided in b.(2), below, employees in active service who commence receiving a duty disability retirement allowance between January 1, 2007, and December 31, 2009, as such allowance is defined in Section 36.05(3) of the ERS Act or Section 34.01(50) of the City Charter, shall be entitled to the benefits provided in subsections 1.a. or 1.b. of this Article, above, between January 1, 2007, and December 31, 2009, so long as they continue to receive such duty disability retirement allowance and so long as they are less than age 65. If a duty disability retiree eligible for these benefits dies prior to attaining age 65, the duty disability retiree's surviving spouse shall be eligible for these benefits until the last day of the month in which the deceased duty disability retiree would have attained age 65.

(2) An employee in active service who commences receiving a duty disability retirement allowance of 90% of his/her current salary between January 1, 2007, and December 31, 2009, as such allowance is defined in Section 36.05(3) of the ERS Act or Section 34.01(50) of the City Charter, shall be entitled to the benefits provided in subsections 1.a. or 1.b. of this Article, above, between January 1, 2007, and December 31, 2009, so long as he/she continues to receive such duty disability retirement allowance. If a duty disability retiree eligible for these benefits dies prior to attaining age 65, the duty disability retiree's surviving spouse shall be eligible for these benefits until the last day of the month in which the deceased duty disability retiree would have attained age 65.

c. Employees Who Retire During the Term of This Agreement

Employees in active service who retire on normal pension (as this term is defined

under the applicable provisions of Chapter 36 of the City Charter, 1971 compilation as amended) between January 1, 2007, and December 31, 2009, with at least 15 years of creditable service, shall be entitled to the benefits provided in subsections 1.a. or 1.b. of this Article, above, between January 1, 2007, and December 31, 2009, so long as they are less than age 65. If a retiree eligible for these benefits dies prior to attaining age 65, the retiree's surviving spouse shall be eligible for these benefits until the last day of the month in which the deceased retiree would have attained age 65. Retiree health insurance benefits shall be extended to employees who retire on normal pension pursuant to the Global Pension Settlement.

d. Duty Death

A surviving spouse who becomes eligible to receive a pension under the provisions of either Section 36.05(5) of the ERS Act or Chapter 34.01(34) of the Milwaukee City Charter, on or after January 1, 2007, shall be entitled to the benefits provided in subsections of 1.a. or 1.b. of this Article between January 1, 2007, and December 31, 2009, so long as the surviving spouse continues to receive such pension and is less than age 65.

3. Cost of Coverage -- Basic Plan or HMO Plan

a. Employees in Active Service

(1) Basic Plan - Calendar years 2007, 2008, and 2009

(a) Prior to implementation of a Health Risk Assessment (HRA), an employee enrolled in the Basic Plan shall contribute an amount toward meeting the subscriber cost in the Basic Plan of \$75.00 per month for single enrollment when such employee's enrollment status is single and \$150.00 per month for family enrollment when such employee's enrollment status is family.

(b) Effective the first full calendar month following implementation of the annual HRA, but not sooner than January 1, 2009, for active

employees enrolled in the Basic Plan, the employee contributions shall be as follows:

- i. The employee contribution shall increase to \$85.00 per month for single enrollment when an employee's enrollment status is single and to \$170.00 per month when an employee's enrollment status is family.
 - ii. The employee contributions shall also increase \$20.00 per month over the amounts specified in 3.a.(1)(b)i., above, for each adult covered by the plan (maximum of two, excluding dependent children) who chooses not to fully participate in and complete the HRA.
 - iii. For an employee in the single plan and for an employee and his or her spouse (if applicable) in the family plan who participate fully in the HRA and who do not smoke (as determined by the HRA), the employee contribution shall be \$75.00 per month for single enrollment when an employee's enrollment status is single and \$150.00 per month for family enrollment when an employee's enrollment status is family. The amount of employee contribution shall be deducted from the employee's pay check on a monthly basis. Any subscriber costs for single or family enrollment in excess of the above-stated amounts shall be paid by the City.
- (2) Health Maintenance Organization – Calendar Years 2007 and 2008
- (a) For employees in active service enrolled in a health maintenance organization during calendar years 2007 and 2008, the City will contribute an amount towards meeting the subscriber cost for enrollment in the HMO Plan elected of up to 100% of the monthly subscriber cost of single enrollment in the HMO offered by the City

pursuant to section 1.b., hereof, having the lowest single enrollment subscriber cost to the City when an employee's enrollment status is single or up to 100% of the monthly subscriber cost of family enrollment in the HMO offered by the City pursuant to section 1.b., hereof, having the lowest family enrollment subscriber cost to the City when an employee's enrollment status is family. If the subscriber cost for enrollment in the plan elected exceeds the maximum City contribution provided, the employee shall have the amount of excess cost deducted from his/her paycheck on a monthly basis.

(3) HMO – Calendar Year 2009

- (a) Effective January 1, 2009, an employee enrolled in an HMO plan shall contribute \$20.00 per month toward the monthly subscriber cost of the HMO plan when such employee's enrollment status is single and \$40.00 per month toward the monthly subscriber cost of the HMO plan when such employee's enrollment status is family.
- (b) Effective the first full calendar month following implementation of the annual HRA but not sooner than January 1, 2009, an employee enrolled in an HMO plan shall contribute the following amounts:
 - i. An employee shall contribute \$30.00 per month toward the monthly subscriber cost of the HMO plan when such employee's enrollment status is single and \$60.00 per month toward the monthly subscriber cost of the HMO plan when such employee's enrollment status is family
 - ii. An employee shall also contribute an additional \$20.00 per month over and above the amount specified in (3)(b)i., above, for each adult (maximum of two, excluding

dependent children) who chooses not to fully participate in and complete the HRA.

iii. For an employee in a single HMO plan and for an employee and his or her spouse (if applicable) in a family HMO plan who participate fully in the HRA and who do not smoke (as determined by the HRA), the employee contribution shall be reduced to \$20.00 per month for single enrollment when an employee's enrollment status is single and \$40.00 per month for family enrollment when an employee's enrollment status is family.

(c) In addition to the amounts specified in subsections (3)(a) and (3)(b), above, an employee who enrolls in an HMO plan whose monthly subscriber cost exceeds that of the lowest cost HMO plan shall also contribute a monthly amount equal to the difference between the monthly subscriber cost of the plan selected and the monthly subscriber cost of the lowest cost HMO plan.

(d) The amount of employee contribution shall be deducted from the employee's pay check on a monthly basis.

(e) The maximum City contributions provided above shall be determined by the employee's effective enrollment status; when his/her enrollment status is single, the above maximum shall be computed using the subscriber cost established for single enrollment status and when it is family, such computation shall be based on the subscriber cost established for family enrollment status.

(4) An employee who exhausts his/her sick leave during the term of this Agreement shall be permitted to maintain the benefits for the plan he/she

was covered under on the date his/her sick leave was exhausted for up to six (6) months immediately following that date so long as the employee is unable to return to work because of medical reasons. For calendar years 2007, 2008 and 2009, the City's contribution shall be as provided in subsection 3.a. of this Article, above. This provision shall not cover retirees (including disability retirements).

b. Duty Disability

For Calendar Years 2007, 2008 and 2009

Depending on the individual's single/family enrollment status, the cost of coverage for individuals receiving a duty disability retirement allowance shall be as provided for in subsection 3.a. of this Article, above.

c. Employees Who Retire During the Term of This Agreement

(1) For eligible employees who retire between January 1, 2007, and December 31, 2009, the City will make monthly contributions towards meeting the monthly subscriber cost of their enrollment status in the plan elected by the retiree as follows:

(a) Single Enrollment Status

For retirees with single enrollment status, the City will contribute an amount up to the percentage of the subscriber cost for single enrollment in the Basic Plan that is determined by the formula provided in subsection 3.c.(1)(c) during the period after retirement the retiree is less than age 60 and an amount up to 100% of the subscriber cost for single enrollment in the Basic Plan during the period after retirement the retiree is at least age 60 but less than age 65.

(b) Other Than Single Enrollment Status

For retirees with other than single enrollment status, the City will

contribute an amount up to the percentage of the subscriber cost for his/her enrollment status in the Basic Plan that is determined by the formula provided in subsection 3.c.(1)(c) during the period after retirement the retiree is less than age 65. The retiree's enrollment status in the plan elected shall be determined by the City. In no event, shall a retiree with an enrollment status other than single enrollment be permitted to substitute two single contracts for his/her actual enrollment status if the total premium rate for the two single contracts is less than the premium rate for the employee's actual enrollment status as determined by the City.

- iii. The employee's normal hours of work for his/her last duty assignment prior to retirement shall determine under which formula his/her benefits are computed; if the assignment exceeded 40 hours per week, the benefit shall be computed under subsection i. and if it averages 40 hours per week, the benefit shall be computed under subsection ii.

Unused Sick Leave is expressed in work days and represents the amount of earned and unused sick leave credited to an employee's sick leave account on the effective date of his/her retirement.

City Contribution is expressed as a percentage of the effective Basic Plan subscriber cost for the enrollment status applicable to the retiree and represents the maximum contribution made by the City on behalf of such retiree.

Work Day, as used herein, is the employee's regular work shift as established under the Hours of Work Article.

If the per capita subscriber cost for enrollment in the plan selected by the

retiree exceeds the maximum City contribution for retirees provided, the retiree shall have the amount of such excess cost deducted from his/her pension check.

(2) Surviving Spouse

The provisions of subsection 3.c.(1) shall be applicable to a surviving spouse eligible for retiree health insurance benefits under subsections 2.b. or 2.c. of this Article. An eligible surviving spouse without eligible dependents shall be covered by subsection 3.c.(1)(a); in all other circumstances, he/she shall be covered by subsection 3.c.(1)(b). For purposes of interpretation and administration, the age the deceased retiree would have been shall determine the City contribution.

d. Duty Death

Depending on single/family enrollment status, the cost of coverage for the surviving spouse of an employee receiving a duty death pension, under either Section 36.05(5) of the ERS Act or Chapter 34.01(34) of the Milwaukee City Charter shall be as provided for in subsection 3.a. of this Article.

e. Cost of Health Insurance After Age 52 Conversion From Duty Disability Upon Attaining Age 52 and 25 Years of Service

Upon conversion from a duty disability retirement allowance to a service retirement allowance, the cost of the retiree health insurance coverage to which he/she is entitled hereunder until he/she attains age 63 shall be as provided under subsection 3.a. of this Article, above. These costs shall be in lieu of the costs specified under subsection 3.c. Thereafter, until attainment of age 65, the cost of such coverage shall be as provided under subsection 3.c. of this Article except that the individual's unused sick leave as of the effective date his/her duty disability retirement allowance commenced shall be used to compute the City-paid retiree health insurance benefits to which he/she is entitled hereunder.

4. Cost of Coverage -- Dental Plan Only

During the time period of January 1, 2007, through December 31, 2009, the City will contribute an amount up to \$13.00 per month for single enrollment and an amount up to \$37.50 per month for family enrollment towards meeting the subscriber cost of the dental plan. If the subscriber cost for single or family enrollment in the dental plan exceeds the maximum City contribution provided, the employee shall have the amount of such excess cost deducted from his/her paycheck on a monthly basis.

5. Self-Administration Offset

The per capita subscriber costs associated with the health or dental insurance coverage provided by each of the plans listed in subsection 1., above, includes amounts allocable to the administrative costs of the carriers providing such coverage. If the City elects to self-administer the Basic Plan and/or the Basic Dental Plan, then effective with the calendar month during which this election becomes effective, and so long as it continues in effect, the maximum City contributions provided in subsections 3 and 4, above, for employees covered by such a self-administered plan shall be reduced by an amount equal to 100% of the difference between the monthly administrative costs associated with such plan prior to the effective date it became self-administered and the monthly administrative costs associated with the plan when it is self-administered, capitated for each subscriber in the plans on the basis of single or family enrollment status. While in effect, this provision shall not increase an employee's payroll deductions required to meet the costs of his/her health/dental insurance benefits beyond the deductions that would be required under subsections 3, 4 and 8 of this Article, if the provision was not in effect.

6. Right of City to Select Carrier

It shall be the right of the City to select and, from time to time, to change any of its carriers that provide the benefits set forth in subsection 1. of this Article; at its sole option, the City shall have the right to provide any or all of these benefits on a self-insured basis and/or to self-administer them (in this circumstance, the term "carrier" as used in this Article shall also mean self-insurer and/or self-administrator).

7. Non-duplication

- a. If more than one City employee is a member of the same family, as that term is defined in provisions of the Plans defined in subsection 1. of this Article, the coverage shall be limited to one family plan.
 - b. In the event a program of health insurance is adopted by the Federal or State government and the City is required or elects to participate, benefits under the City plan shall be coordinated with such systems but shall not operate to increase or diminish the extent of the coverage.
 - c. A retiree shall be ineligible to receive the retiree health insurance benefits provided hereunder when receiving health insurance benefits from other employment or from the employment of the retiree's spouse if the benefits received by the spouse cover the retiree.
 - d. City health insurance cost contributions provided hereunder to retirees shall be in lieu of any other City retiree health insurance contributions provided by ordinance, resolution or by other means, while retirees are receiving the benefits hereunder.
 - e. After the deductible is paid, the employee's share of the cost for claims made under the Major Medical co-insurance provisions shall not be less than 20%.
 - f. In the event an employee or eligible dependent becomes eligible for Medicare benefits prior to attaining age 65, the City will contribute an amount up to the City's maximum contribution provided in subsection 3.c.(1), of this Article towards the cost of coverage for the City's Medicare Supplemental Plan.
8. Employees on Leave of Absence
- Employees in active service may elect to be covered by the benefits in subsections 1.a. or 1.b. of this Article, above, while on an authorized leave of absence. Individuals on an authorized leave of absence shall pay 100% of the cost associated with their coverage. The rates for such coverage shall be determined by the City and may be adjusted from time to time. This provision shall be applicable only during the first 12 months of an employee's authorized leave of absence.
9. There shall be a 270-day waiting period for pre-existing conditions for the benefits

provided by the Basic Plan. This 270-day waiting period shall not apply to employees who: (a) retire during the term of this Agreement; and (b) following their retirement, are not enrolled in the Basic Plan; and (c) subsequently elect to enroll in the Basic Plan while still eligible to receive the Basic Plan benefits provided to retirees by this Agreement. Said waiting period shall also not apply to surviving spouses of such employees who, following the death of their employee-spouses, elect to enroll in the Basic Plan during the period of time they are eligible hereunder to receive the Basic Plan benefits provided by this Agreement. Such waiver of the 270-day waiting period shall not be available more than once during the lifetime of an employee and/or his/her surviving spouse.

10. Effective Date

Except where specifically provided otherwise herein, the provisions of this Article shall be deemed to be in force and effect beginning January 1, 2007, and ending December 31, 2009.

ARTICLE 27

Firefighter	\$45 per work shift
Heavy Equipment Operator	46 per work shift
Paramedic Field Lieutenant	50 per work shift
Fire Paramedic Field Lieutenant	50 per work shift
Paramedic Lieutenant (Civilian & Non-civilian)	50 per work shift

Fire Lieutenant, Administrative Fire Lieutenant and Vehicle Operations Instructor,	50 per work shift
Fire Captain & Administrative Fire Captain	55 per work shift
Vehicle Operations Training Coordinator	55 per work shift
Administrative Captain – EMS	55 per work shift

b. Employees Whose Normal Hours of Work Average 40 Hours Per Week

Employees whose normal hours of work average 40 hours per week who retire on City Pension under either the Employees' Retirement System of Milwaukee plan or the Firemen's Annuity and Benefit Fund plan (but excluding those employees retiring on deferred or actuarial reduced pensions, as they are defined in said two plans) shall, upon retirement, be entitled to receive a one-time-only lump sum payment equal to each work shift equivalent of his/her unused sick leave at retirement as follows:

Firefighter	\$21.00 per work shift
Heavy Equipment Operator	21.46 per work shift
Paramedic Field Lieutenant	23.33 per work shift
Fire Paramedic Field Lieutenant	23.33 per work shift
Paramedic Lieutenant (Civilian & Non-civilian)	23.33 per work shift
Fire Lieutenant, Administrative Fire Lieutenant and Motor Vehicle Operations Instructor,	23.33 per work shift
Fire Captain and Administrative Fire Captain	25.66 per work shift
Vehicle Operations Training Coordinator	25.66 per work shift
Administrative Captain – EMS	25.66 per work shift

c. The employee's normal hours of work for his/her last duty assignment prior to retirement shall determine how his/her terminal leave benefits are computed; if the assignment exceeded 40 hours per week the benefit shall be computed under subsection 1.a. (above) and if it averaged 40 hours per week the benefit shall be computed under subsection 1.b. (above).

2. Effective for retirements occurring on and after January 1, 2008, the benefits provided under subsection 1, above, shall be eliminated and replaced with the following terminal leave benefit:

One 24-hour work day's base salary pay for each 10 work days (24-hour work days) of accumulated, unused sick leave rounded down to the nearest multiple of ten. Sick leave accumulated on an eight-hour basis shall be converted to 24-hour work days based on the existing practice (i.e. one 8-hour work day equals .467 of a 24-hour work day). Employees who have fewer than twenty 24-hour work days of accumulated, unused sick days shall not be eligible to receive any terminal leave benefit.

Example 1 Firefighter retires with 209 accumulated, unused sick days. Terminal leave benefit = $209/10$ work days rounded down to the nearest multiple of ten = **20 work days of pay.**

Example 2 Firefighter retires with 140 24-hour accumulated, unused sick days and 132 8-hour days. One hundred and thirty-two 8-hour days X .467 = 61.64 twenty-four hour days. Total sick days after conversion = $140 + 61.64 = 201.64$. Terminal leave benefit = $201.64\text{days}/10$ rounded down to the nearest multiple of ten = **20 work days of pay.**

All other terms and conditions of terminal leave shall continue to be in effect.

2. Administration of Terminal Leave Benefits

- a. Employees shall be eligible to receive this benefit only once during their lifetimes.
- b. Payments made under the provisions of this Article shall not be construed as being part of the employee's base pay and shall not be included in the computation of any fringe benefits enumerated in this Agreement.
- c. Any payment made under the provisions of this Article shall not have any sum deducted for pension benefits nor shall such payments be included in any computation establishing pension benefits or payments.
- d. The terminal leave benefit payment to which an employee is eligible to receive shall be made by separate check as soon as is administratively practicable after the employee's effective date of retirement.
- e. The City shall administer and control the provisions of this Article.

4. Regardless of the sick leave credit earned, the maximum amount of sick leave with pay which employees may utilize from their accounts for any one period of continuous sick leave shall not exceed 365 calendar days. Interruption of such period of sick leave shall only be considered if the employee resumes his/her regular duty.

The City shall not be responsible for the payment of any fee charged by the physician or dentist to provide the acceptable medical substantiation.

- c. An employee may be required to provide acceptable medical substantiation from a private physician or dentist for each absence, regardless of duration, if the Fire Chief is informed or believes that the employee is misusing sick leave; under such circumstances, the City shall not be responsible for the payment of any fee charged by the physician or dentist.

inform of his/her condition.

- g. Employees are not permitted to engage in any off-duty employment while on sick leave.
6. When acceptable medical substantiation from an employee's private physician or dentist is required, the failure of the employee to comply with this requirement shall permit the City to deny that employee the sick leave benefits provided hereunder until he/she is in compliance with such requirement.
 7. Employees who use their accumulated sick leave credit and then are placed on duty disability retirement pension all as a result of duty-incurred injuries shall be entitled to have 21 calendar days of sick leave with pay added to their sick leave accounts upon returning to active service.

In the event all charges giving rise to a suspension are subsequently dismissed, the employee's eligibility for an attendance incentive payment in

- (2) Such employee was in active service for the full term of such trimester; and
- (3) At the end of the trimester, such employee had an amount of earned and unused sick leave in his/her sick leave account equivalent to seven work days for employees earning sick leave credit under the provisions of subsection 3.a. of the Sick Leave Article of this Agreement or 15 work days for employees earning sick leave credit under the provisions of subsection 3.b. of the Sick Leave Article of this Agreement.

Effective Trimester 1 of 2009, the sick leave control incentive payment shall be equivalent to eight hours of pay at the base salary hourly rate of a top step Firefighter in effect on the last day of the Trimester for which the payment was earned, and the \$200 lump sum payment shall be eliminated.

- (1) Sick leave control incentive payments provided hereunder shall be made as soon as is administratively practicable following the close of the Trimester in which they were earned.
- (2) Sick leave control incentive payments provided hereunder shall not be a part of the employee's base salary and shall not have any sum deducted for pension benefits nor shall they be included in the determination of pension benefits or any other benefits and/or compensation provided by the City.

9. Administration and control of sick leave benefits shall be by the City.

ARTICLE 29

FUNERAL LEAVE

1. DEFINITIONS:
 - a. "Funeral Leave" is defined as absence from duty because of death of a family member or relative.
 - b. "Immediate family" shall be defined as the employee's husband or wife, brother, sister, parent or child, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents, grandchildren, step-children by virtue of the employee's current spouse or step-parents, provided, however, that during an employee's lifetime funeral leave for step-parents shall be limited to one step-mother and one step-father, regardless of the number of step-parents.

5. Administration and control of funeral leave benefits shall be by the City.

ARTICLE 30

INJURY PAY

1. When employees covered by this Agreement sustain injuries within the scope of their

employment for which they are entitled to receive worker's compensation temporary disability benefits, as provided by Chapter 102 of the Wisconsin Statutes (Worker's Compensation Act), they may receive 80% of their base salary as "injury pay" instead of such worker's compensation benefits for the period of time they may be temporarily totally or temporarily partially disabled because of such injuries. Such injury pay shall not be granted for more than 365 calendar days for any one compensable injury or recurrence thereof.

2. In providing injury pay in an amount equal to 80% of the employee's base salary, the employee agrees to allow the City to make a payroll adjustment to his/her biweekly pay check deducting an amount equal to 20% of his/her base salary for that portion of the pay period he/she received injury pay and make no subsequent claim for said amount whatsoever. Such deduction shall be administered so as not to reduce employee pension benefits. For purposes of interpretation of the provisions of this Article, the term base salary as used herein shall mean the employee's base salary pay rate in effect during the pay period he/she is claiming injury pay as that base salary rate is established in the BASE SALARY provision of this Agreement.
3. After "injury pay" benefits have been exhausted, employees shall have the option of accepting sick leave benefits or accepting Worker's Compensation temporary disability benefits. This option, which shall be in writing, may be terminated without prejudice to temporary, total, or temporary, partial, disability benefits under the Worker's Compensation Act thereafter, but such termination shall not be retroactive and any sick leave already used at the time of such termination of option shall not be restored to the employee.
4. Questions involving eligibility for injury pay shall be determined under the applicable law and the substantive and procedural rules of the Department of Industry, Labor and Human Relations relative to Worker's Compensation and in the event of a dispute between the City and the employee relative to such eligibility, the Department of Industry, Labor and Human Relations and the courts upon the statutorily prescribed review thereof shall be the

sole and final arbiters of such dispute.

5. As a condition of eligibility for receipt of such injury leave benefits, employees must comply with the following requirements:
 - a. Employees requesting injury leave must notify their immediate supervisor directly and no later than one hour before their shift begins. Such notice must include the nature of the disability. Employees returning from injury leave must notify their immediate supervisor directly and no later than one hour before their shift begins.
 - b. Employees on injury leave shall not leave their residence on any scheduled On-Duty day during such leave. If employees are required to leave their residence to visit their personal physician or a Department physician or for any other justifiable reason, they shall notify or arrange to notify their immediate superior of their actual whereabouts prior to their leaving.
 - c. The Fire Chief reserves the right to order a Department representative or physician to investigate any case at any time and to further order appropriate treatment on the advice of the Department physician. The Department physician has the authority to order an employee on injury leave to return to duty.
 - d. An employee who is on injury leave as of Friday of one week and who has not returned to duty by the following Tuesday, shall report on each Tuesday which is a normally scheduled On-Duty day, at a time and place designated by the Chief Engineer for the duration of such injury leave. If such employee is not ambulatory, has a conflicting medical appointment elsewhere at that time or is hospitalized, such employee shall telephone the Assistant Chief or Department Secretary to inform of his/her condition.
 - e. Employees are not permitted to engage in any off-duty employment while on injury leave.
6. If the Internal Revenue Service (IRS) determines that the injury pay benefits provided hereunder are taxable as wages, then beginning with the effective date of such determination, the City will no longer require the 20% employee deduction from injury

pay benefits provided for in subsections 1 and 2 of this Article, above.

7. In all third-party claims or actions, the City shall not be limited in its recovery to the amount of temporary disability benefits which would otherwise have been payable under the Worker's Compensation Act, but shall instead be entitled to recover the amount of injury pay received by the employee.
8. Employees appointed to the Firefighter or Paramedic position classifications shall not be entitled to the injury pay benefits provided hereunder for any injury they may sustain while on duty during the period of time they are assigned to the Fire Academy or the Medical College of Wisconsin for recruit training. Such employees shall instead be covered by State of Wisconsin Workers' Compensation Act (WCA) temporary disability benefits during such period, including all applicable terms and conditions provided for in the WCA. The provisions of subsections 5 and 7 shall be applicable to employees covered hereunder.
9. In no case, shall temporary disability benefits and "injury pay" be allowed for the same period of time.
10. Administration and control of the provisions of this Article shall be by the City.

The Fire Chief shall have the authority to establish such rules and procedures that he deems necessary to administer the military leave benefits provided by this Article. These rules and procedures shall cover, but not be limited to, requirements that employees provide the Fire Chief with reasonable advance notice of any contemplated military leave and the appropriate military orders and papers that fully document such military leave.

ARTICLE 32

TIME OFF FOR JURY DUTY

1. Employees, other than those employed on a provisional basis, shall be entitled to time off with pay while on jury duty upon presentation of satisfactory evidence relating to this duty to the Fire Department Administration Bureau; all other cash compensation exclusive of parking expenses received by the employee for jury duty shall be immediately paid over to the City Treasurer and the employee shall make no subsequent claim for it whatsoever.
2. Except as provided in subsections 4 and 5, below, an employee on jury duty shall be relieved from fire duty beginning at 8:00 a.m. on the first day of his/her jury duty assignment and ending at 8:00 a.m. on the day next following completion of that jury duty assignment.
3. For employees whose normal hours of work exceed 40 hours per week at the time they are ordered to report for jury duty, the following shall apply: If the employee's regularly scheduled work shift starts at 8:00 a.m. on the day immediately preceding the first day of

his/her jury duty assignment, then he/she shall also be relieved from fire duty as of 7:00 p.m. on that regularly scheduled work shift. Upon completion of his/her jury duty assignment, which may occur on a day prior to the last day of the normal jury duty assignment period (the normal jury duty assignment period as of the execution date of this Agreement is a one week, Monday through Friday period), the employee shall immediately notify his/her Battalion Commander of this fact by telephone and report back to work at 8:00 a.m. on his next regularly scheduled work shift.

4. For employees whose normal hours of work average 40 hours per week at the time they are ordered to report for jury duty, the following shall apply: On days when the employee is normally scheduled to work, no greater amount of time off for jury duty shall be granted than is necessary. If an employee is called for jury duty on such day and reports thereto without receiving a jury assignment for that day, or if he/she is engaged in jury duty for part of such day, he/she shall immediately notify his/her Battalion Commander of this fact by telephone and report back to work for the remainder of his/her work day. If the employee is engaged in jury duty for part of a day that falls on a work day, then such requirement to report back to work shall not be applicable on days where the amount of time remaining in the employee's regularly scheduled eight-hour shift for that day, together with travel time from the jury duty site to the employee's duty assignment location, does not allow for a work period of reasonable length; in this circumstance, the employee shall still be required to notify his/her Battalion Commander in accordance with the requirement set forth above. Upon completion of his/her jury duty assignment, which may occur on a day prior to the last day of the normal jury duty assignment period (the normal jury duty assignment period as of the execution date of this Agreement is a one week, Monday through Friday period), the employee shall immediately notify his/her battalion commander of this fact by telephone and report back to work at 8 a.m. on his/her next regularly scheduled work shift.
5. Employees shall not lose any of their Vacation, Holiday or Work Reduction Day time off scheduled during a period of jury duty; all such time off shall be re-scheduled by the Fire

Department Administration.

6. An employee receiving a notice to report for jury duty from the Court System shall immediately notify his/her Battalion Commander and provide him/her with a copy of this notice. The Fire Chief reserves the right to request the Court System to postpone an employee's jury duty in order to limit the number of employees off on jury duty at any one time. Prior to submitting a request for postponement, the Fire Department Administration will notify the employee(s) affected and, if an employee requests, discuss the matter with the employee.
7. Administration and control of the provisions of this Article shall be under the Fire Chief.

ARTICLE 33

VACATIONS

1. Definitions

The following definitions shall be used solely for the purpose of computing the current and prospective vacation benefits:

- a. **Anniversary Date:** The date an employee completes twelve (12) months of active service following appointment to the City of Milwaukee as a regular employee. After the completion of the first twelve (12) months of active service an employee's vacation anniversary date shall not change.
- b. **Active Service:** The time spent as a regular employee on the City of Milwaukee payroll including the performance of assigned duties for the City and paid time not worked. In order for paid time to count as active service for vacation purposes, such time, together with any authorized unpaid leaves of absence must be continuous from the date of appointment. Active service shall also include the time spent by an employee who takes a military leave. In the event of an employee's resignation, discharge or retirement from City employment, active service shall cease as of the employee's last day at work.
- c. **Years of Service:** The duration of time in active service.

2. Eligibility for vacation shall begin after the completion of twelve (12) months of active service following appointment. An employee whose service is expected to continue so as to complete a year's active service may, after six months of active service and at the sole discretion of the Fire Chief be allowed to take vacation time within the year of appointment. However, if the employee leaves the service of the City before the completion of the initial 12-month period, that vacation shall be deemed unearned and payments made during the vacation shall be deducted upon termination of employment.
3. Employees shall earn vacation time at the following rates:
 - a. Employees in active service whose normal hours of work exceed 40 hours per week shall be entitled to vacations with pay as follows:
 - (1) Eight (8) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of 96 hours per calendar year for an employee with less than seven (7) years of active service.
 - (2) Twelve (12) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of 144 hours per calendar year for an employee with at least seven (7) years but less than twelve (12) years of active service.
 - (3) Eighteen (18) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of 216 hours per calendar year for an employee with at least twelve (12) years but less than twenty (20) years of active service.
 - (4) Twenty-two (22) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of 264 hours per calendar year for an employee with at least twenty (20) years of active service.
 - b. Normal Hours of Work Averaging 40 Hours Per Week
Employees in active service whose normal hours of work average 40 hours per week shall be entitled to vacations with pay as follows:

- (1) Six and two-thirds ($6 \frac{2}{3}$) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of 80 hours per calendar year for an employee with less than seven (7) years of active service.
- (2) Ten (10) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of 120 hours per calendar year for an employee with at least seven (7) years but less than twelve (12) years of active service.
- (3) Thirteen and one-third ($13 \frac{1}{3}$) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of 160 hours per calendar year for an employee with at least twelve (12) years but less than twenty (20) years of active service.
- (4) Sixteen and two-thirds ($16 \frac{2}{3}$) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of 200 hours per calendar year for an employee with at least twenty (20) years of active service.

c. Pro-rata Earning of Vacation

(1) Differing Normal Hours of Work

Employees whose normal hours of work during a calendar year fall into both categories described in subsections 3.a. and 3.b., above, because of the nature of their duty assignments that year shall earn the vacation with pay at the rate they are entitled to under subsections 3.a. and 3.b., respectively, prorated on the basis of their length of service in each category during that year, computed to the nearest calendar month.

(2) Less Than Full Calendar Year of Active Service

For purposes of prorating, an employee in active service for at least fourteen (14) days in a calendar month shall be deemed as having been in active service for the full calendar month; in the event the employee is in

active service for less than 14 days in a calendar month, then the employee shall be deemed as not being in active service at all during such calendar month.

- d. The time period during which an employee earns vacation with pay for a calendar year shall be limited to the employee's period of active service between his/her anniversary date for that calendar year and his/her immediate preceding anniversary date. The amount of vacation time taken during a calendar year, except for separation from service as provided in subsection 5 below, shall be limited to the maximums noted in this subsection, above. These maximums are not guarantees; an employee is not entitled to any greater vacation with pay in a calendar year than that which he/she has earned for that calendar year.
4. Except as provided in subsection 6 of this Article, below, employees must use vacation time during the calendar year for which such vacation time is earned; employees who do not use all of their entitled vacation time within the calendar year for which it was earned shall lose all rights to the unused time off.
5. Vacation time taken before the full amount has been earned shall be considered time owed the City until it is earned. Any employee who leaves the service of the City due to resignation, retirement, termination, discharge, layoff or death will have the compensation for vacation time owed the City deducted from the final pay check. In the event the employee's last pay check is for an amount less than the amount of compensation owed the City, a deduction shall also be made from the employee's next preceding pay check that covers the balance of compensation owed the City. Any employee who leaves the service of the City due to resignation, retirement, layoff or death or who takes military leave will be paid for earned vacation time that has accumulated. If an employee returns to duty prior to his/her next following anniversary date, any vacation time earned and taken hereunder shall be offset against the employee's earned vacation time for the calendar year in which that anniversary date falls. Discharged employees are not entitled to pay for accumulated vacation time.

6. An employee on authorized injury leave as a result of a duty-incurred injury may use vacation scheduled during the period of such leave provided he/she notifies his/her Battalion Commander orally of this fact prior to the start of such vacation and indicates the time when the vacation is to be used. An employee on authorized injury leave as a result of a duty-incurred injury not using vacation scheduled during the period of such leave because he/she did not make a request for it shall have his/her unused vacation rescheduled by the Fire Department Administration when he/she returns to duty, if it is possible to do so, before the end of the calendar year. In the event the Fire Department Administration is unable to reschedule all of the employee's remaining unused vacation before the end of the calendar year, the employee shall be entitled to receive a lump sum payment equivalent to the dollar value of the remaining unused vacation at the end of the calendar year, computed on the basis of the employee's base salary rate in effect at the time for which the vacation was originally scheduled. This lump sum payment shall be made as soon as is administratively practicable following the end of the calendar year. The lump sum payment shall not be construed as being part of the employee's base salary and shall not be included in the computation of any fringe benefits enumerated in this Agreement. The lump sum payment shall not have any sum deducted for pension benefits nor shall it be included in any computation establishing pension benefits or payments. When authorized by the Fire Department Administration, an employee may elect to carry over into the next succeeding calendar year any remaining unused vacation that the Fire Department Administration was unable to reschedule by the end of the calendar year, instead of the lump sum payment provided above. The vacation carried over shall be used by April 1 of the next following calendar year or the employee will lose all rights to it, including all rights to the lump sum payment provided above. The scheduling of carried-over vacation shall be subject to availability of the dates requested by the employee, require prior approval by the employee's Battalion Commander and in no way affect the scheduling of other employee vacations.
7. An employee on authorized sick leave may use vacation scheduled during the period of

such leave, provided he/she notifies his/her Battalion Commander orally of this fact prior to the start of such vacation and indicates the time when such vacation is to be used. An employee on authorized sick leave not using vacation scheduled during the period of such leave because he/she did not make a request for it shall have his/her vacation that was scheduled during such leave rescheduled by the Fire Department Administration when he/she returns to duty if it is possible to do so before the end of the calendar year. In the event the Fire Department Administration is unable to reschedule all of the employee's remaining unused vacation before the end of the calendar year, the City, upon the employee's return to duty, will restore to the employee's sick leave account an amount of time equal to the amount of unused vacation.

8. Employees in active service shall have time spent receiving a duty disability retirement allowance included as years of service for purposes of computing current and prospective vacation benefits.
9. The vacation with pay benefits computed under the provisions of this Article shall be the full and only vacation benefits to which employees covered by this Agreement shall be entitled during calendar years 2007, 2008 and 2009.
10. The assignment and scheduling of vacations with pay shall be controlled by the Fire Chief.
11. Administration and control of the provisions of this Article shall be by the City.

(2) Less Than Full Calendar Year of Active Service

For purposes of prorating, an employee in active service for at least 14 days in a calendar month shall be deemed as having been in active service for the full calendar month; in the event the employee is in active service for less than 14 days in a calendar month, then the employee shall be deemed as not being in active service at all during such calendar month.

b. An employee on authorized injury leave as a result of a duty-incurred injury may use holiday off time scheduled during the period of such leave provided he/she notifies his/her Battalion Commander orally of this fact prior to the start of such holiday time off. An employee on authorized injury leave as a result of a duty-incurred injury not using holiday off time scheduled during the period of his/her

leave, because he/she did not make a request for it shall have his/her unused holiday off time rescheduled by the Fire Department Administration when he/she returns to duty, if its is possible to do so, before the end of the calendar year. In the event the Fire Department Administration is unable to reschedule all of the employee's remaining unused holiday off time before the end of the calendar year, the employee shall be entitled to receive a lump sum payment equivalent to the dollar value of the remaining unused holiday off time at the end of the calendar year, computed on the basis of the employee's hourly base salary rate in effect at the time for which the holiday off time was originally scheduled. This lump sum payment shall be made as soon as is administratively practicable following the end of the calendar year. The lump sum payment shall not be construed as being part of the employee's base salary and shall not be included in the computation of any fringe benefits enumerated in this Agreement. The lump sum payment shall not have any sum deducted for pension benefits nor shall it be included in any computation establishing pension benefits or payments. When authorized by the Fire Department Administration, an employee may elect to carry over into the next succeeding calendar year any remaining unused holiday off time that the Fire Department Administration was unable to reschedule by the end of the calendar year, instead of the lump sum payment provided above. The holiday off time carried over shall be used by April 1 of the next following calendar year or the employee will lose all rights to it, including all rights to the lump sum payment provided above. The scheduling of carried-over holiday off time shall be subject to availability of the dates requested by the employee, require prior approval by the employee's Battalion Commander and in no way affect the scheduling of other employee holiday off time.

- c. An employee on authorized sick leave may use holiday time off scheduled during the period of such leave, provided he/she notifies his/her Battalion Commander orally of this fact prior to the start of such holiday time off and indicates the time

The committee shall decide on the vendors giving due consideration to all City policies associated with the selection procedures. The City shall not spend more than two million dollars annually, Citywide, including the cost of conducting the HRA, on the Wellness and Prevention Program.

All parties involved with the HRA shall abide by all laws governing the release of employee medical records.
