Introduction

Located on the western shore of Lake Michigan, Milwaukee is an urban hub bursting with energy. Milwaukee provides a casual sophistication – big city appeal without the big city hassles. We are accessible and affordable, and our residents are welcoming. Milwaukee has evolved through the years, bringing together its unsurpassed old world charm with a breathtaking Art Museum, top-flight arts and cultural attractions, professional sports, lakefront festivals, recreational opportunities, and great restaurants.

Purpose

The Public Health Social Worker assigned to the Empowering Families of Milwaukee Program (EFM) functions as part of a multi-disciplinary case management team with the focus on the psychosocial needs of families. This position will conduct personal/home visits to work with at-risk pregnant women, families and infants to improve maternal health, prenatal care, and early childhood health, development, and well-being.

Essential Functions

Home Visiting/Case Management

- Develop and maintain supportive and trusting relationships with clients and other family members to promote independent and empowered actions by families.
- Provide ongoing home visits and phone contact, based on family's need as prescribed by Empowering Families protocols.
- Assess client/family needs and make appropriate referrals to community resources.
- Act as an advocate for families regarding needed resources from governmental, community and private agencies.
- Complete developmental screening and assessments of clients’ physical, social, psychological, and environmental health status.
- Provide counseling for primary, secondary and tertiary health problems.
- Teach prevention and promote the adoption of healthy behaviors.
- Collaborate with private care providers, allied professionals, and other MHD personnel regarding needs of clients under social work case management.
- Develop and implement case management and care plans for resolution of assessed client/family needs; document social work case management within SPHERE according to MHD’s policies and Medicaid requirements; assess community needs for input into MHD programs.
- Function as a member of the multidisciplinary team, working in a dyad comprised of a public health nurse and public health social worker.
• Establish and maintain collaborative relationships with team members in providing EFM Program services.
• Attend program meetings, training sessions and community meetings; participate in the orientation and on-going training for EFM.
• Evaluate and/or provide assistance to determine the effectiveness of particular services and home visiting interventions.
• Participate in data collection, program evaluation, and preparation of reports pertinent to objectives of the program, or as assigned.

Community Linkage/ Advocate

• Act as liaison with hospitals, government services and community agencies for social service needs of mothers and infants.
• Represent the MHD and its policies and strategies in the community.
• Develop network and relationships between the MHD and the community to serve as advocate for clients and their needs.

Reasonable accommodations requested by qualified individuals with disabilities will be made in accordance with the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008.
