homeownership education as well as the resources available to purchase foreclosed homes. The grants will help pay for marketing and outreach such as through the new website, www.takerootmilwaukee.org, billboards, TV, and radio public service announcements. During the third quarter of 2010, the MNRC will begin using NSP2 funds for the acquisition of foreclosed properties. The City has approximately 15 properties awaiting NSP-2 funding for the beginning of the third quarter 2010. In addition, the City plans to have 3 additional parcels for deconstruction. We anticipate expenditures starting in August with close-outs as early as Nov 2010. We are also preparing to hire 1 full-time additional administrative staff person and will devote 50% of 1 construction inspector position to this project. These positions will start in the final quarter of 2010. The City is currently considering alternatives for the leveraged loan fund which could include financing from local lenders or the National Community Stabilization Trust. A decision on the fund will be made in the third quarter, and it is hoped that the fund will be operational in the third quarter as well. The Department of City Development has recruited for six new positions to administer the program.
