

**Statement of Common Council President Willie L. Hines, Jr.
May 30, 2007**

It is important for the residents of the 6th District to know that they will continue to receive the services to which they are entitled, especially in light of the allegations that their alderman, Michael McGee, Jr., currently faces. The district office is fully staffed, and residents can reach that office at 286-2221. They can also contact the City Clerk at that same number or the office of the Common Council President (286-3965) for further assistance. The 286-CITY (286-2489) number is another resource that is available to those who need assistance.
