## **Municipal Court recognized for participation in Mayor's Earn and Learn Program**

The Municipal Court, along with several other City departments, was recently recognized with the 2011 Champions Circle Award from Mayor Tom Barrett for its participation in this summer's annual Earn and Learn program.

Between June 20<sup>th</sup> and August 12<sup>th</sup>, two high school students worked as interns for the Court, learning about Court policies and procedures, handling a variety of work assignments and becoming involved in various information technology-related projects.

The program offers summer intern opportunities within City government to young people who are eager to start gaining work experience. For more information, visit <http://city.milwaukee.gov/Projects/EarnLearn.htm>.
