### Vornholt Confirmed for a Four-Year Term As Director at Port Milwaukee

Paul Vornholt has secured an additional four year term as Director of Port Milwaukee. Mayor Tom Barrett reappointed Vornholt in June, and he was confirmed unanimously by the Milwaukee Common Council on Wednesday.

“Paul has led Port Milwaukee with a steady hand. He has earned a reputation for efficient operations, infrastructure improvements, and strong financial management,” Mayor Barrett said. “Our Port is an asset to the regional economy, and Paul’s leadership is maximizing the Port’s economic impact.”

“I am honored to serve another term as Port director and I appreciate the Mayor’s confidence in me,” Vornholt said. “Port Milwaukee is always evolving with changing cargos and new tenants. What remains consistent is our dedication to serve area businesses as a transportation hub.”

Port Milwaukee is an economic entity of City government governed by the seven-member Board of Harbor Commissioners, a panel appointed by Mayor Barrett and confirmed by the Common Council. It administers operations on the 467 acres that make up the Port. It promotes shipping and commerce throughout the region by providing access to domestic and international ships, rail, and over-the-road transportation.
