

Target Awards Anti-Graffiti Grant

City's Anti-Graffiti Program Wins Community Grant

Ald. Tony Zielinski, chair of the Anti-Graffiti Policy Committee and representatives of the **Department of Neighborhood Services** accepted a \$1500 Anti-Graffiti grant award from Target on behalf of the City of Milwaukee at a press event in front of the **2950 S. Chase Ave.** Target location.

“Target’s grant demonstrates the investment businesses have in our community and the reciprocal relationship we have with keeping the city free of graffiti and blight in order to make it a safe and desirable place for business,” Ald. Zielinski said. “We are very thankful for the work Sharon Blando and the Department of Neighborhood Services have done to coordinate these efforts with a national retailer like Target.”

According to Target’s grant program, the company is committed to making communities better places to live through national partnerships and local initiatives.
