Property Registration Program

841 N. Broadway, Room 105, Milwaukee, WI 53202 | (414) 286-8569
milwaukee.gov/propertyregistration | propertyregistration@milwaukee.gov

The city adopted an ordinance in 1993 requiring property owners to submit ownership and contact information to the Department of Neighborhood Services (DNS). As a result of changes to state legislature in 2016, revisions were made to the local ordinance. Additionally, the program name switched from Property Recording to Property Registration. Primarily, the contact information is used to notify those that have care and control of the property when there are building code violations. Also, the contact information submitted on the Property Registration Form becomes publicly available for anyone needing to reach responsible parties regarding the property.

The following instructions describe how to complete the Property Registration Form in accordance with the updated [MCO-200-51.5](#) requirements. Please make sure that all required information and applicable fees are submitted with the form.
