

NEED ACCOMMODATIONS IN ORDER TO VOTE?

The City of Milwaukee offers several options for voters who may need accommodations before and on Election Day.

ABSENTEE VOTING:

Absentee by mail voting means your ballot is sent straight to your home. Additionally, if you are “indefinitely confined”, you can have absentee ballots sent to you permanently. Check the Election Commission website for how to register.

CURBSIDE VOTING:

Voters looking to vote on Election Day or early in-person can park at their polling place or early voting site and have their ballot brought to their car. For election day assistance, call 414-286-3963 when you arrive. If you are voting early in-person, park in the designated curbside spot and call the number on the sign.

EXPRESSVOTE MACHINES:

ExpressVote machines are designed with needs of individuals with visual, auditory, and physical impairments in mind, allowing them to vote privately and independently. All early voting sites and polling places are equipped with one.

If you anticipate needing any type of accommodation or have questions about the physical access to your polling place, please call 414-286-3491 in advance of or on Election Day.
