City Attorney Statement on Court-Ordered Receivership for Highgrove Holdings Properties

In response to Judge Michael Hanrahan's ruling granting U.S. Bank Trust National Association's request to appoint a receiver to 83 properties owned by David Tomblin and Highgrove Holdings, City Attorney Evan Goyke issued the following statement:

"We trust that the court will enter the order appointing a receiver tomorrow, and are hopefully that working with the receiver will make it more likely that the property taxes and municipal court judgments are paid to the City and the problematic property conditions are abated."
