2019 contribution & catch-up limits

The Internal Revenue Service has announced the limits on the amounts participants may contribute to the Plan in 2019.

<table>
<thead>
<tr>
<th>Maximum Annual Contribution</th>
<th>$19,000</th>
</tr>
</thead>
<tbody>
<tr>
<td>Maximum including Age 50+ Catch-Up</td>
<td>$6,000</td>
</tr>
<tr>
<td>Maximum including Three-Year Special 457(b) Catch-Up</td>
<td>Up to $38,000</td>
</tr>
</tbody>
</table>

Beginning in the year in which you will reach age 50, you are allowed to contribute an extra $6,000 with the Age 50+ Catch-Up, for a total of up to $25,000.

If you are within three years before the year in which you will reach Normal Retirement Age defined by the Plan, you may be eligible to contribute up to $38,000 with the Three-Year Special 457(b) Catch-Up. Since the Three-Year Special 457(b) Catch-Up takes into account your prior contributions, please work closely with your employer to calculate the catch-up amount available to you.

Remember, if you are eligible for both catch-up options in the same year, IRS rules provide that you cannot use both in the same tax year and must use the option that lets you defer the greater amount.

Voya Cares®
Across the United States, one in five Americans — an estimated 65 million people — will be affected by a special need or disability in their lifetime, with another 105 million people serving as a parent, sibling or other caregiver — that’s half of the U.S. population. And, one in 10 employees in the general workforce considers themselves to be a caregiver. These individuals, and their caregivers, often face a tough and confusing journey, especially when it comes to planning for their retirement and the care of their loved ones.

Through the Voya Cares Program, Voya has begun to shine a light on the issues that people living with special needs and disabilities and their caregivers face. As experts in Retirement, Investment Management, Individual Life and Employee Benefits, Voya is uniquely positioned to make an impact in the lives of people with special needs and disabilities as well as their families and caregivers by helping them think differently — and holistically — about planning for a financial future.

Voya helps further awareness for families caring for an individual with a special need or disability by providing more information and resources on additional retirement planning needs within email confirmations, engagement communications and throughout our website, including the More Resources section, message center and in the myOrangeMoney® educational experience.
