

Resources for Teachers

Thank you for your interest in learning about the Milwaukee Water Works! We invite you to explore these resources.

Only tap water delivers public health protection, water for fire suppression, and support for the economy and the high quality of life we enjoy.

- **Watch a video about your water utility at [Milwaukee.gov/water](https://www.milwaukee.gov/water) or <https://www.youtube.com/watch?v=D-95oTJnxXI>**
- **Download a [Children's Activity Book](#) for grades 1-6.**
- **Offer a week of water activities with "Know Your H2O" and use the Middle School Classroom Discussion Guide at intotheoutdoors.org/topics/know-your-h2o/. Produced by the Wisconsin Section of the American Water Works Association with the Into the Outdoors Education Network.**

- **Learn about lead poisoning prevention and watch a video at LeadSafeMKE.com and Espanol.LeadSafeMKE.com**

Use Water Wisely -- Water leaks waste tremendous amounts of water and can add up to cost a lot of money. We encourage our customers to Use Water Wisely by finding and fixing leaks. Find meter reading and leak-search worksheets, and our Use Water Wisely brochure on the website in the Use Water Wisely section.

- **Learn what it takes to provide water to your home and school**
At Milwaukee.gov/Water, check out Quick Links at the right and choose **Water, What You Pay For**
- **Take a virtual tour up the staircase of the historic North Point Tower**
At Milwaukee.gov/water, click on N in the A-Z index. For a history of the utility, click on A Milwaukee Icon.
- **Your water utility began pumping water in 1871!**
The Milwaukee Water Works was established April 18, 1871 and began operations in 1874. That makes the utility over 145 years old. Read our [history brochure](#) online. At more History & Fun Stuff by clicking the History icon on our home page, Milwaukee.gov/Water.

More on the next page

- **Where does the water go after it goes down the drain?**
Visit the [Milwaukee Metropolitan Sewerage District](http://mmsd.com) at mmsd.com and learn to properly dispose of unused medicines and waste chemicals to prevent Lake Michigan pollution.
- **Find videos and student activities at DrinkTap.org**
- **Explore careers in the world of water at Workforwater.org**
Find a downloadable brochure and videos for classroom use.

Top 10 Reasons to Fill Up with Milwaukee Tap Water

- Freshly treated and delivered 24/7 to home, school, and work
- A great value: Five gallons cost one cent.
- Undergoes more testing than professional athletes
- It's good for your body.
- Drinking Milwaukee water is refreshing. It's already pure -- refill your bottle at the tap.
- Five out of five dentists recommend fluoride for their patients who drink water.
- Feels comforting in a hot bath or refreshing in a cold shower
- The clear choice of firefighters
- No carbs or calories. Go ahead and *supersize* it
- Free refills at all participating restaurants, bubblers, and faucets

About the Milwaukee Water Works

The Milwaukee Water Works is nationally recognized for our extensive water quality monitoring program. Our water meets all U.S. Environmental Protection Agency (EPA) and Wisconsin Department of Natural Resources (DNR) standards. MWW was recognized with awards in 2016 for its excellent work by such organizations as the Water Research Foundation (WRF) and the American Water Works Association (AWWA) – Wisconsin Section.

Regional Drinking Water Provider

The Milwaukee Water Works is owned by the City of Milwaukee. Policy is set by the Mayor and Common Council. The utility is regulated by the EPA and the DNR for facilities, operations, and water quality; and the Public Service Commission of Wisconsin (PSC), for rates and accounting.

We serve 867,000 people in 16 communities in Milwaukee, Ozaukee and Waukesha Counties. The communities are Milwaukee, Brown Deer, Butler, Franklin, Greendale, Greenfield, Hales Corners, Menomonee Falls, Mequon, New Berlin, Shorewood, St. Francis, Thiensville, Wauwatosa, West Allis and West Milwaukee. We also provide water to the Milwaukee County Grounds.

For a presentation about the Milwaukee Water Works, please contact Rosalind Rouse, Water Marketing Specialist, (414) 286-2803 or email rosalind.rouse@milwaukee.gov. Our security policy does not allow tours of our facilities. We hope you will understand the need to ensure the security of our utility that provides round-the clock service of pure, clean drinking water to over 867,000 people.
