The leash may be held by a person younger than 16 years of age upon prior written approval of the department of neighborhood services or when shown in a sanctioned American Kennel Club show or other organized competition among trained owners and dogs. The written approval shall be carried by the person younger than age 16.

2. Have a yard or kennel area with a fence which the commissioner determines to be of sufficient height to contain the dog. The kennel area shall have a concrete floor.

3. Attend a minimum of one dog behavior or training class offered by a trainer recommended by the Wisconsin humane society, Milwaukee dog training club or Milwaukee area domestic animal control commission.

1. DANGEROUS ANIMALS REGULATED.

a. No person may harbor or keep a dangerous animal within the city unless all provisions of this section are complied with. Any animal that is determined to be a prohibited dangerous animal under s. 78-25-2 shall not be kept or harbored in the city.

b. The commissioner may determine an animal to be a dangerous animal whenever the commissioner finds that an animal meets the definition of a dangerous animal in s. 78-1-13.
c. The issuance of a citation for a violation of this section need not necessarily be predicated on a determination by the commissioner that an animal is a dangerous animal.

2. LEASH AND MUZZLE. No person owning, harboring or having the care of a dangerous animal may permit such animal to go outside its kennel or pen unless the animal is securely leashed with a leash no longer than 4 feet in length. No person may permit a dangerous animal to be kept on a chain, rope or other type of leash outside its kennel or pen unless a person who is 16 years of age or older, competent to govern the animal and capable of physically controlling and restraining the animal is in physical control of the leash. The animal may not be leashed to inanimate objects such as trees, posts and buildings. A dangerous animal on a leash outside the animal’s kennel shall be muzzled in a humane way by a muzzling device sufficient to prevent the animal from biting persons or other animals. A dangerous animal shall not be required to be muzzled upon prior written approval of the health department or when shown in a sanctioned American Kennel Club show. The written approval shall be carried by the owner or caretaker.

3. CONFINEMENT. a. Except when leashed and muzzled as provided in sub. 2, all dangerous animals shall be securely confined indoors or in a securely enclosed and locked pen or kennel that is located on the premises of the owner or caretaker and constructed in a manner that does not allow the animal to exit the pen or kennel on its own volition.

b. When constructed in an open yard, the pen or kennel shall, at a minimum, be constructed to conform to the requirements of this paragraph. The pen or kennel shall be child-proof from the outside and animal-proof from the inside. A strong metal double fence with adequate space between fences (at least 2 feet) shall be provided so that a child cannot reach into the animal enclosure. The pen, kennel or structure shall have secure sides and a secure top attached to all sides. A structure used to confine a dangerous animal shall be locked with a key or combination lock when the animal is within the structure. The structure shall either have a secure bottom or floor attached to the sides of the pen or the sides of the pen shall be embedded in the ground no less than 2 feet. All structures erected to house dangerous animals shall comply with all city zoning and building regulations. All structures shall be adequately lighted and ventilated and kept in a clean and sanitary condition.

4. CONFINEMENT INDOORS. No dangerous animal may be kept on a porch, patio or in any part of a house or structure on the premises of the owner or caretaker that would allow the animal to exit the building on its own volition. No dangerous animal may be kept in a house or structure when the windows are open or when screen windows or screen doors are the only obstacle preventing the animal from exiting the structure.

5. SIGNS. The owner or caretaker of a dangerous animal shall display, in prominent places on his or her premises near all entrances to the premises, signs in letters of not less than 2 inches high warning that there is a dangerous animal on the property. A similar sign is required to be posted on the kennel or pen of the animal. In addition, the owner or caretaker shall conspicuously display a sign with a symbol warning children of the presence of a dangerous animal.

8. WAIVER BY COMMISSIONER. Upon request, the commissioner may waive any requirement specified in subs. 2 to 7 that the commissioner deems to be inappropriate for a particular dangerous animal.

9. DECLARATION AND ORDER. Upon investigation, a department may issue an order declaring an animal to be a dangerous animal and ordering the owner or caretaker to present the animal to the Milwaukee area domestic animal control commission for the purpose of having a microchip inserted for identification purposes. The cost of the microchip procedure shall be at the expense of the owner.

9.5 APPEAL. Whenever an owner or caretaker wishes to contest an order, he or she shall, within 72 hours after receipt of the order, deliver to the department a written objection to the order. If an owner or caretaker makes such an

10. NOTIFICATION. The owner or caretaker shall notify the department or police department within 24 hours if a dangerous animal is at large, is unconfined, has attacked another animal or has attacked a human being, has died, has been sold or has been given away. If the dangerous animal has been sold or given away, the owner or caretaker shall also provide the department or police department with the name, address and telephone number of the new owner of the dangerous animal. If the dangerous animal is sold or given away to a person residing outside the city, the owner or caretaker shall present evidence to the department or police department showing that he or she has notified the police department or other law enforcement agency of the animal's new residence, including the name, address and telephone number of the new owner of the dangerous animal.

11. EUTHANASIA. If the owner or caretaker of an animal that has been designated a dangerous animal is unwilling or unable to comply with the regulations for keeping the animal in accordance with this section, he or she may have the animal humanely euthanized by an animal shelter, the humane society or a licensed veterinarian.

12. WAIVER. The commissioner may waive the provisions of subs. 2 to 7 for a law enforcement or military animal upon presentation by the animal's owner or handler of a satisfactory arrangement for safe keeping of the animal.

b. Declaration and Appeal. b-1. Upon investigation, a department or humane officer may issue an order declaring an animal to be a prohibited dangerous animal and ordering the owner or caretaker to present the animal to the Milwaukee area domestic animal control commission for the purpose of having a microchip inserted for identification purposes. The cost of the microchip procedure shall be at the expense of the owner.

b-2. Whenever an owner or caretaker wishes to contest an order, he or she shall, within 72 hours after receipt of the order, deliver to the department a written objection to the order. The written objection shall include the specific reasons for objecting to or contesting the order. If an owner or caretaker makes such an objection to the order, the department shall convene a hearing. The hearing shall be conducted before a 3-person dangerous animal panel composed of an environmental health professional, a humane officer and a veterinarian, as designated by the commissioner of neighborhood services. Each panel member serves as an officer of the city exercising a quasi-judicial function within the scope of s. 893.80, Wis. Stats. At the hearing, the owner or caretaker shall have the opportunity to present evidence as to why the animal should not be declared a prohibited dangerous animal. The hearing shall be held promptly and within no less than 5 days nor more than 10 days after service of a notice of hearing upon the owner or caretaker of the animal.

c. Pending the outcome of the hearing, the animal must be securely confined in a humane manner either on the premises of the owner or caretaker or with a licensed veterinarian. The commissioner may order impoundment of the animal pending the result of the hearing.

d. After the hearing, the owner or caretaker shall be notified in writing of the panel's determination. If a determination is made that the animal is a prohibited dangerous animal, the owner or caretaker shall comply with sub. 1 in accordance with a time schedule established by the commissioner or chief of police, but in no case more than 30 days after the date of the determination. If the owner or caretaker further contests the determination, he or she may, within 5 days of receiving the panel's decision, appeal the decision to the administrative review appeals board.

3. DESTRUCTION. Any dog that has caused bodily harm to a person or persons on 2 separate occasions off the owner's premises, without reasonable cause, may be destroyed as a result of judgment rendered by a court of competent jurisdiction, as specified under s. 174.02(3), Wis. Stats. The city attorney may

In such instances, a notice shall be issued to the owner or caretaker of the animal producing the alleged nuisance specified by the complainant. Following issuance of such notice and where subsequent complaints are received of an alleged continued nuisance, the designated enforcement agencies may attempt to verify the reported animal nuisance.
