It is the purpose of the common council to assure uniformity and clarity in the procedures under which certain licenses and permits are considered for approval, denial, renewal, non-renewal, suspension and revocation. It is the further purpose of the common council to guarantee to licensees, permittees and members of the public those protections of due process of law respecting a full and fair right to be heard upon adequate notice, to confront and cross-examine witnesses, to have the benefit of rules of evidence, and to present evidence and arguments of law and fact.

2. SCOPE AND APPLICATION. The provisions of this chapter shall not supercede or replace any provision contained elsewhere in this code respecting licenses and permits, but shall apply where provisions for notice, committee hearing or council action are otherwise silent.

85-2. Definitions. 1. APPLICANT means any person, partnership, corporation, limited liability company or other firm causing, either directly or by agent or counsel, a written application for license or license renewal or for a permit or permit renewal to be filed with an office of the city for consideration and determination by the common council. For purposes of this chapter, applicant shall also mean a licensee or permittee subject to suspension or revocation proceedings.

2. COMMITTEE means the licensing committee or permitting committee designated by common council ordinance or rule to review and hear matters related to identified licenses or permits.

3. COMPLAINANT means a person or party who asserts an interest affected by the operation or proposed operation of a licensee, or the issuance or continuance of a permit, who files a written complaint in compliance with the provisions of this code or the provisions of state law with respect to the license or permit.

85-2.5 License and Permit Procedures

3.5. LICENSEE or PERMITTEE means a person licensed, permitted or otherwise approved under the provisions of this code to operate a particular type of business or to conduct a certain activity for which the code requires that a license, permit or other approval be granted or issued by the city before any person may operate that type of business or conduct that activity.

4. OBJECTION means a written statement submitted by an interested party to the city clerk that includes information personally known to the objector that could form the basis for nonrenewal or suspension of a license or permit as provided in s. 85-4-4, or as expressly provided elsewhere in this code for a license or permit as a basis for denying renewal or suspension of the license.

5. OBJECTOR means a person or party affected by the operation or proposed operation of a licensee, or who is or may be affected by the issuance or continuance of a permit, whose written objection is sufficient under this code to initiate proceedings for non-renewal, suspension or revocation of a license or permit.

6. PERSON means any individual, firm, partnership, association, corporation, limited liability company or limited liability partnership.

85-2.5. Notice of Hearing Upon Council Member Request.

1. CITY CLERK TO NOTIFY. Upon request of the local council member, the city clerk may provide, by mail, written notice, regarding an application for any business license processed by the city clerk, which is scheduled for a hearing before the licensing committee of the common council, to up to 100 single-family residences in the immediate area of the property for which a license is sought, or to each resident of the circular area having a radius of 250 feet, centered on the property for which a license is sought, whichever is greater.

2. EXCEPTION. Notwithstanding sub. 1, those interested parties who have made written requests to the city clerk to be notified of a hearing for a particular license application shall be provided notice by the city clerk regardless of their residence.

85-2.7. Hearing Procedure, New License. **1.** HEARING; NOTICE. The licensing committee shall make a recommendation on whether or not

No hearing shall be heard unless the city clerk, or other city official or department authorized to receive applications for licenses, has provided written notice to the applicant. The notice shall be served upon the applicant so that the applicant has at least 3 days' notice of the hearing. The notice shall contain:

a. The date, time and place of the hearing.

b. A statement to the effect that the possibility of denial of the license application exists and the reasons for possible denial. If the possibility of denial is based on the fitness of the location of the premises to be licensed, the notice shall also be served upon the owner of the premises so that the owner has at least 3 days' notice of the hearing. Notice to the owner of the premises shall contain the same information and statements included under this paragraph related to the notice to the applicant.

Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application.

c. The fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought, whether the proposal is consistent with any pertinent neighborhood business or development plans, or proximity to areas where children are typically present.
