## MEDIA ADVISORY

### MPD and DNS to Join Alderman Bauman for Neighborhood Walk Tomorrow

**Alderman Robert J. Bauman** will join with Milwaukee Police Department officers, Department of Neighborhood Services officials, and neighborhood residents tomorrow (**Thursday, March 4**) for a very visible neighborhood walk in the 4<sup>th</sup> Aldermanic District. Alderman Bauman said he's concerned about a recent uptick in daytime burglaries in the Cold Spring Park, Historic Concordia, Midtown and Avenues West neighborhoods.

"The walk-through will be a very visible sign that we're looking to put an end to the rash of burglaries and other crimes that are being committed by lowlifes while honest, hard working people are at work," he said. "And it will also be an excellent opportunity to talk with residents and others who have concerns and who may also have information that can be helpful to police."

**The walk will begin at 1 p.m. at N. 28<sup>th</sup> and W. McKinley Blvd.**
