## MEDIA ADVISORY

### **Bronzeville Mixer Event Set for Thursday**

**Alderman Milele A. Coggs** will host a mixer tomorrow (**Thursday, August 5**) for those interested in making connections to Milwaukee's **Bronzeville Cultural & Entertainment District**.

The mixer will provide an opportunity to network with developers, business owners and residents in the district, which is bordered roughly by W. Garfield Ave., W. Center St., N. 7th St. and N. Dr. Martin Luther King Dr. in the 6th Aldermanic District.

**Refreshments will be served.**

Alderman Coggs said the mixer is an important way to generate interest and information about the Bronzeville district, which had its first development project approved on July 27 by the Common Council. "We're moving forward now, and I strongly encourage interested individuals to join us at tomorrow's mixer and get better acquainted with Bronzeville," she said.
