MILELE A. COGGS

6th District Alderwoman

Statement of Alderwoman Milele A. Cogg
October 8, 2010

Today, the Milwaukee County District Attorney's Office issued its findings regarding the September 14 primary election day incident that occurred in the parking lot of Martin Luther King, Jr. Elementary School. The District Attorney's Office found that the allegations leveled against me by the poll supervisor were simply not supported by the facts gathered in the DA's investigation.

The findings corroborate exactly what I stated publicly shortly after the incident: the allegations are untrue.

Although I do not agree 100% with the DA's written findings, the document marks the end of the legal process in this case, and I welcome the closure. Again, my focus has been, and will continue to be, on doing everything I can to serve my constituents and manage the important business of the 6th District.

Lastly, I would like to thank my family and friends for their love and support during this time. Their support and belief in me when I needed it most kept me focused, and kept me strong. I will never forget their love and encouragement.
