Ald. Bob Donovan  
(414) 708-2096

## MEDIA ADVISORY

# Layton Boulevard Upgrades to be Detailed at News Event

*Alderman Bob Donovan to be joined by Rep. Josh Zepnick, stakeholders and neighbors Monday*

On Monday (December 6) at S. Layton Blvd. and W. Rogers St. **Alderman Bob Donovan** will be joined by 9<sup>th</sup> District state **Rep. Josh Zepnick**, members of the Layton Boulevard West Neighbors and Historic Layton Boulevard Association, and nearby residents to detail more than \$1 million in “streetscaping” improvements to S. Layton Blvd. (S. 27<sup>th</sup> St.).

Alderman Donovan, whose 8<sup>th</sup> Aldermanic District includes the entire length of Layton Boulevard from W. National Ave. to W. Forest Home Ave., said the project will include the installation of decorative harp lighting, new pedestrian crossings and improved bus shelters. “This streetscaping work will not only spruce up Layton Boulevard, but it should also make it safer for pedestrians and those who use county transit system buses,” Alderman Donovan said. The area is busy with pedestrian traffic associated with nearby schools, churches, businesses, homes, and apartment complexes that are home to many senior citizens, he said.

Federal transportation enhancement funds are the source for the state grant that is being used to pay for the project.

**WHAT:** News conference/announcement

**WHEN:** 11:30 a.m. Monday, December 6

**WHERE:** Corner of S. Layton Blvd. & W. Rogers St.
