MEDIA ADVISORY

Cold Spring Park Daytime Neighborhood Walk Happening Tuesday

Alderman Robert J. Bauman and neighborhood residents will be joined by Milwaukee Police Department officers and Department of Neighborhood Services officials next Tuesday (**June 14**) for a neighborhood walk in the **Cold Spring Park** neighborhood. The walk will commence at 3 p.m. at 3434 W. McKinley Blvd.

Media coverage is invited.

Tuesday's walk is one in a series that Alderman Bauman has conducted in recent years after daytime burglaries were reported in the Cold Spring Park, Historic Concordia, Midtown, Merrill Park and Avenues West neighborhoods.

Residents have been appreciative of the walks, according to Alderman Bauman, which are meant not only as a high visibility response to the criminal element, but also as a prime opportunity to talk with residents and others who may also have information that can be helpful to police.
