Ald. Bob Donovan  
(414) 286-3778

## MEDIA ADVISORY

# Streetscaping Project for Layton Boulevard to be Announced on Monday

**Alderman Bob Donovan** will participate in an **11:00 a.m. news conference Monday, October 10** regarding a large streetscaping project slated for Layton Boulevard. The project, cultivated by Alderman Donovan, the Historic Layton Boulevard organization, State Rep. Josh Zepnick (D) and the many business owners in the area, will yield new street lights, pedestrian and bicycle paths and enhance the historic identity of the street.

The two-part celebratory ceremony begins at historic **Ascension Lutheran Church** where Rep. Zepnick will announce the \$1.3 million Wisconsin DOT project that stretches from Layton Boulevard at National Ave. to S. 27th St. and Oklahoma Ave.

"I'm grateful for the leadership of Rep. Zepnick on this issue," Alderman Donovan said. "This is a beautiful area with hard working neighbors and these improvements are nothing but well-deserved good news."

Alderman Donovan and the group will then head to **34<sup>th</sup> St. and National Ave. for a ribbon cutting to showcase the work of the Silver City Main Street** project, another successful streetscaping project made possible by a \$560,000 Wisconsin DOT grant awarded in 2004. The event will be in Shea Park, highlighting the 7-block area where demonstrable improvements have been made.

**What:** Streetscaping Project Announcement

**When:** 11:00 a.m. Monday, October 10, 2011

**Where:** Ascension Lutheran Church, 1236 S. Layton Blvd. and 34<sup>th</sup> and National Ave. at Shea Park
