No crime stats report at Public Safety Committee Thursday

**Statement from Alderman Terry L. Witkowski
May 30, 2012**

A communication file that was scheduled to be heard tomorrow by the Public Safety Committee – (file # 120204) a report on crime statistics from Chief Edward Flynn of the Milwaukee Police Department – will not be heard tomorrow.

It has come to my attention that additional, comparative crime data that includes prior years should be available for this report to be heard at the committee's June 21 meeting. It is my intention to ask that this internal, preliminary comparative data be presented to us at that time.
