President Hines: Statement on Frances Brock Starms

Funeral services were held today for Ms. Frances Brock Starms. She was an inspirational and influential woman who will be missed by many in the City of Milwaukee and beyond. Her selfless contributions have touched Wisconsin, the United States, and even the world. Her oratory skills and her dedication to education and service are just a few of the many reasons why she touched so many lives. Although she is no longer with us, we will always remember the giving spirit of a woman who never stopped sharing cultural stories, even in retirement. Without a doubt, these stories will live on through the many people with whom she shared her time and talents.
