Dear Mr. Tobin,

Months have now passed since you initiated an investigation of the alleged illegal strip searches and body cavity searches by MPD personnel. Again, I am respectfully inquiring about the status of the investigation, and would greatly appreciate your response as to when you might have something (findings, etc.) to report to me and my colleagues on the Common Council.

Interest in your investigation has not waned and, in fact, members of the community have consistently approached me and several of my colleagues seeking updates and information. It would be helpful to receive an update from you so we can have information to pass along to our constituents, as many of them do not hold faith in "no news is good news."

Looking forward to hearing from you soon about this matter.

Peace, Love, & Justice,

*Milele A. Coggs*
