Alderman Pérez urges residents to attend benefits for fire victim families

Alderman José G. Pérez invites residents to join in supporting the families of two 14-year-old boys who died this week in a West Allis duplex fire. Michael Gonzales and Isaiha Kobow were killed, though two younger boys escaped the burning home.

“Since this tragedy, communities have come together to offer their support to the families of the victims,” Alderman Pérez said. “I hope residents of my district, and the entire Milwaukee area, can turn out at one of these events and do what they can to help.”

Donations can be made to the Michael A. Gonzales fund at Tri City National Bank.
