Alderman Zielinski to host community meeting on proposed volleyball facility

A proposal to convert the old Army Reserve base at Lincoln Ave. and Bay St. into an indoor volleyball, multi-sport wellness and entertainment facility will be the subject of a community meeting on **Tuesday, April 2 at 6:30 p.m.** in the Bay View High School auditorium, hosted by **Alderman Tony Zielinski**.

The SURG Restaurant Group has come forward with the plans. Also the operators of Bradford Beach and several restaurants, SURG has turned Bradford into the home of the U.S. Junior Beach Volleyball National Championships, Pro Beach Volleyball and other sports and social programs. The activities, programs and events held at Bradford Beach draw enthusiasts from across the United States and beyond.

“SURG Group expects to create similar programming and interest with the new indoor facility,” Alderman Zielinski said. “I believe that this new facility would create an immediate, positive economic impact for Bay View, the City of Milwaukee and the State of Wisconsin.”

Residents and media are encouraged to attend Tuesday’s meeting to learn more.
