# Restoring ShotSpotter funding is the right move

Statement of Alderman Joe Davis, Sr.  
January 17, 2014

I applaud state Assembly Republicans for their move to restore \$175,000 to the Milwaukee Police Department for the ShotSpotter program. I also credit Chief Flynn for his strong commitment to ShotSpotter and for his willingness to make a proactive and solid case for the program to lawmakers in Madison.

I believe it is important that support continue for this proven system of remotely tracking gunshots and shootings, and I am looking forward to the expansion of this vital newer law enforcement tool to other city neighborhoods.

Going forward I believe ShotSpotter will be an important part of our city's overall effort to address the increase in deadly gun violence.
