Alderwoman Coggs to participate in 4th annual Earth Day celebration

Alderwoman Milele A. Coggs will participate in the 4th annual **Urban Grass Roots INC. Earth Day Celebration and Community Clean-up** on Saturday, April 19th.

Saturday's event will take place at Victory Over Violence Park, 2615 N. Martin Luther King Jr. Dr. from 10 a.m. until 2 p.m. The Earth Day celebration is a collaborative effort involving Alderwoman Coggs, Urban Grass Roots INC, Career Youth Development and Ori Entertainment, and will be an opportunity for local residents to come together to clean-up the environment and celebrate the community. The Ina Onilu Drum and Dance Ensemble will perform live at the event.

"This is an event that will help bring the community together while taking care of our environment," Alderwoman Coggs said. "Together we can all make a positive difference in our communities, and Earth Day provides an excellent opportunity to move our neighborhoods and our community forward."

Volunteers are needed for the event, and all volunteers will be provided with free food.
