Alderman Wade co-sponsors Turkey Giveaway event

Alderman Willie C. Wade, United Milwaukee Scrap and the Mary Ryan Boys & Girls Club of Milwaukee will join forces to sponsor a Turkey and Ham Giveaway event benefitting the Mary Ryan Boys and Girls Club in the Sherman Park neighborhood. This community initiative will provide 10 hams and 10 turkeys to families in need for Thanksgiving.

The food will be donated during a special media event **TOMORROW -- Thursday, November 20 -- at 1:00 p.m.** at the **Mary Ryan Boys and Girls Club, 3000 N. Sherman Blvd.**

Many of the turkeys and hams were donated by United Milwaukee Scrap employees, who were given the option of taking home a ham or turkey or donating theirs to those less fortunate in the community.

Alderman Wade said the event is aimed at making Thanksgiving a little brighter for families being served by the Boys & Girls Club of Milwaukee. “This partnership with Mr. Art Arnstein, United Milwaukee Scrap and with the Boys & Girls Club of Milwaukee is helping make Thanksgiving a little brighter for some families in need, and it is a very positive contribution to the community as well,” Alderman Wade said.
