Alderman Donovan stands up for beleaguered residents

Alderman will hold Tuesday morning news conference outside problem property

Alderman Bob Donovan will hold a **news conference at 11:00 a.m. tomorrow (Tuesday, September 30, 2014)** in front of **3301 W. Lincoln Ave.** to address serious neighborhood nuisance and disorder issues he says are associated with the residence. The alderman will be joined by fed up neighborhood residents and other stakeholders, and will also be discussing other crime and violence issues in his district and across the city.

“There was a huge street fight which erupted over the weekend because of this house and another one just a few doors down,” Alderman Donovan said. “Police responded, but no one was arrested. After the police left, the fight broke out again and this time, shots were fired! The cops came back and made three arrests, but not before the entire neighborhood was terrorized by these idiots.”

“I am simply fed up with the level of safety in our neighborhoods, and I am standing up for the growing number of residents who are too afraid to even sit outside or go for a walk,” he said.
