## **Alderman Murphy on announcement by Council President Willie Hines**

### **Statement of Alderman Michael J. Murphy January 31, 2014**

It has been a true honor to serve with Willie Hines on the Common Council, and I want to thank him for the sound leadership and integrity he has shown during his tenure as Common Council President.

The City of Milwaukee has been well-served during Willie's service as alderman and as president, as he has brought patient and thoughtful deliberation to every issue he's championed and has consistently worked for the betterment of the city and its residents every step of the way. I will miss his presence as a colleague but I am pleased that he will continue to serve the city, and I look forward to working with him in his new role.
