Polish Moon Ride celebrates shared heritage in South Side bike tour

More than 200 people are expected to participate in a near South Side bike ride and block party this evening that celebrates a unique Milwaukee neighborhood and the confluence of colorful cultures that make it a great place to live, **Alderman José G. Pérez** said.

The inaugural Polish Moon Ride is being organized by the Bicycle Federation of Wisconsin, and will include an 11-mile bicycle tour through parts of the 12th Aldermanic District. Participating cyclists will be the first to officially ride down the ramps from S. 6th St. to Freshwater Way. Riders are encouraged to wear helmets and bring lights and a lock. In addition to the bike ride, the family-friendly event will include food and live music.
