Ribbon to be cut for Café India Bar and Grill location in Bay View

Alderman **Tony Zielinski** will take part in a special ribbon-cutting ceremony on Friday, September 26 for the new **Café India Bar and Grill** at 2201 S. Kinnickinnic Ave. in Bay View. The alderman will join owner **Rakesh “Ryan” Rehan** for the ceremony, which starts at noon Friday.

The Indian and Indian-American fusion restaurant, which also has a location in Walker’s Point, is located in a newly-remodeled location and features a new kitchen, a remodeled casual dining space with a capacity of 80 to 90 people, a full bar and an outdoor hookah bar patio and dining space.

Alderman Zielinski said Café India Bar and Grill will fit in nicely with other **Business Improvement District #44** businesses along S. Kinnickinnic Ave. in Bay View. “I am pleased to have Café India adding its unique Indian fusion menu to Bay View, and I look forward to seeing the restaurant meet with success,” he said.

“I would like to thank Alderman Zielinski for convincing me to look at locations in Bay View, and also in helping me find the space that was best suited for my restaurant,” Mr. Rehan said.
