Charter School Review Committee info now available via E-Notify

Those looking for the latest meeting details and agenda items for the city's **Charter School Review Committee** can have the latest information sent directly to their inbox via the city's E-Notify system.

City Clerk Jim Owczarski said the Committee, charged with authorizing, administering and reviewing all official City of Milwaukee-chartered schools, is one of the latest new subscriber categories available on the E-Notify system.

"With E-Notify you can easily sign up to receive many different types of notices from the City of Milwaukee, and the information is sent directly to you in a timely fashion," Mr. Owczarski said.

The city's E-Notify subscriber categories include news and updates from city departments, elected officials, and city agencies, and a valid e-mail address is all that you need to get started.

Go to www.milwaukee.gov/eservices or www.milwaukee.gov/enotify and sign up for E-Notify (this only takes a minute), then you can sign-in and check the category or categories (or topics) you'd like to be informed about. Once you choose your topics, just sit back and wait for the pertinent information to come directly to you!

The City of Milwaukee notices available via the E-Notify system include news releases, announcements, meeting notices and agendas, job announcements, City Channel programming, crime updates, bid notices and many others.
