Ald. Hamilton invites residents to meeting about W. Hampton Ave. reconstruction delays

With delays continuing to push back the reconstruction of W. Hampton Avenue between N. Green Bay Avenue and N. Teutonia Avenue, **Alderman Ashanti Hamilton** invites neighbors to attend a meeting this evening where they can discuss their concerns. Representatives from the Residents for Change Block Watch, local businesses and the city's Department of Public Works will be in attendance.

The State of Wisconsin was originally supposed to have completed the reconstruction project by the end of 2014, Alderman Hamilton said, but contractors were delayed by last year's concrete shortage, according to the state. Alderman Hamilton said the project has been delayed several times since then.

"We were told that when the weather broke this Spring, this project would resume as a top priority," Alderman Hamilton said. "But the sun is shining, the weather is warm and residents are seeing other projects get underway around the city. We're all left wondering why there's still nothing happening on the Hampton Avenue site."

What: W. Hampton Ave. reconstruction update

When: Tuesday, April 14 at 6:00 p.m.

**Where: Northside Church of God
4858 N. 19th St.**
