New Beerline B business to hold grand opening celebration

Alderwoman Milele A. Coggs said a new 6th District business – **The Beerline Café** – will hold its grand opening celebration tomorrow -- **Friday, November 20**.

The Beerline Café, owned by **Michael Allen**, will host the grand opening event from **6:30 a.m. to 10 p.m.** Friday at 2076 N. Commerce St.

The café will serve vegetarian dishes, soups, salads and also will offer coffees and espressos, wines, juices, locally-brewed beers, smoothies and other fare. According to its website, The Beerline Café has earned a three-star Green Restaurant Association rating, the first in the city of Milwaukee and only the second in the greater Milwaukee metro area.

Alderwoman Coggs said the café will add to the diverse mix of businesses that serve the bustling Beerline B neighborhood. “The Beerline B has thrived as a corridor filled with energy, commerce and very good business and development activity, and the Beerline Café is an excellent addition to the district and to the city,” she said.
