MEDIA ADVISORY

Slow down – and pay attention – Milwaukee

Ald. Donovan to hold Monday news conference at crash scene

Alderman Bob Donovan will hold a news conference at 1:00 p.m. on **Monday, November 9** at an intersection where an accident on Monday, November 2 severely injured a motorcyclist who is a friend of the alderman and his family. Raising awareness of the importance of safe driving is a key goal for the alderman, and he will be joined by members of the motorcyclist's family (and friends), as well as representatives of **ABATE of Wisconsin**, the motorcycle rights and safety group.

“Our friend is fighting for his life, and just last night we had a fatal hit-and-run where a woman (pedestrian) was killed at S. 20th and Bolivar,” the alderman said. “It seems like a weekly thing where there are bad accidents all over Milwaukee caused by reckless and careless drivers who are usually speeding far too fast,” Alderman Donovan said.

What: Ald. Donovan news conference

When: Monday, November 9th at 1:00 p.m.

Where: SE corner of Miller Park Way and W. Lincoln Ave.
