

Michael J. Murphy
City of Milwaukee Common Council

Thanks, MPD Capt. Smith, for 25 years of dedicated service to the city

Statement of Common Council President Michael J. Murphy December 23, 2015

I want to take this opportunity to extend my warm wishes and congratulations to Milwaukee Police Captain Jason Smith, the commander of Police District 3 on the West Side, who announced this week that he has accepted a position with the state Department of Corrections.

Captain Smith is a 25-year veteran of the Milwaukee police force, and most recently he oversaw police operations for an area that includes much of the 10th Aldermanic District. On behalf of our residents and many city leaders who could attest to Captain Smith's hard work and dedication, I'm grateful for his outstanding commitment to helping protect our citizens. His efforts have been critically important, and he's succeeded in making a difference and improving our community.
