City of Milwaukee Common Council

On the sudden passing of Marc Marotta

**Statement from Common Council President Michael J. Murphy
April 8, 2015**

I have known Marc Marotta for nearly three decades, and I am deeply saddened that he has passed away, unexpectedly, today.

Marc was a great father, a brilliant lawyer, and a civically-engaged public servant who always worked toward the best interests of the people of Milwaukee and the State of Wisconsin.

His passing represents a great loss to our city and to the community. I offer my sincere condolences to his family.
